**Next Gen Faith** Jeff Grenell,2023-04-18 When the Son of Man comes will he find faith on earth Luke 18 8 Jesus s question is one that should bother all Christians The number of faithful teenagers in America has been diminishing from one generation to the next Today ninety six percent of those born between 1998 and 2013 don t believe in the Bible absolute moral truth or a supreme loving all powerful Creator They don t even believe in the concept of sin We have failed the biblical command to pass our faith from one generation to the next Yet youth specialist Jeff Grenell believes this trend is reversible In fact he says once we stop doing youth ministry in a Nickelodeon way for teenagers living in a Stranger Things world we will see the spiritual awakening we ve been praying for Next Gen Faith 12 Spiritual Practices for Youth is designed to provide key steps for spiritual formation for Christian adults who work with youth as well as families teens and young adults seeking such a resource With group discussion outlines written by youth leaders it includes foundational outward and inward disciplines with the goal of drawing people closer to our awesome powerful God Next Gen Faith captures the essence of what s needed to raise godly young people who will become tomorrow s leaders offering pointers for youth ministries based on theology and discipleship      The Oxford Handbook of Music and World Christianities Suzel Ana Reily,Jonathan M. Dueck,2016-03-16 The

Oxford Handbook of Music and World Christianities investigates music's role in everyday practice and social history across the diversity of Christian religions and practices around the globe. The volume explores Christian communities in the Americas, Europe, Africa, Asia, and Australia as sites of transmission, transformation, and creation of deeply diverse musical traditions. The book's contributors, while mostly rooted in ethnomusicology, examine Christianities and their musics in methodologically diverse ways, engaging with musical sound and structure, musical and social history, and ethnography of music and musical performance. These broad materials explore five themes: music and missions; music and religious utopias and other oppositional religious communities; music and conflict; music and transnational flows; and music and everyday life. The volume as a whole then approaches Christian groups and their musics as diverse and powerful windows into the way in which music, religious ideas, capital, and power circulate and change between places, now and historically. It also tries to take account of the religious self-understandings of these groups, presenting Christian musical practice and exchange as encompassing and negotiating deeply felt and deeply rooted moral and cultural values. Given that the centerpiece of the volume is Christian religious musical practice, the volume reveals the active role music plays in maintaining and changing religious moral and cultural values in a long history of intercultural and transnational encounters.

**Living by Faith in an Unfaithful World** Richard Triplet, 2015-08-07 Many people believe that the gospel message must change to be relevant in a postmodern world. Richard Triplet points out that both God and the message to the world that flows from him are unchangeable. He urges fellow Christians to resist any effort to change the gospel message and to remain true to their faith. The devotionals, poems, and commentaries in this book seek to glorify God. They offer encouragement to anyone whose faith may be wavering. With unshaken conviction, Triplet seeks to honor God and reinforce the necessity for Christians to remain focused on him.
