Songs To An African Sunset A Zimbabwean Story:

Songs to an African Sunset Sekai Nzenza-Shand, 1997 *Songs to an African Sunset* is the story of a Zimbabwean woman returning to her country after many years of living in the West. Sekai Nzenza Shand captures the texture of life in an African village mourning rituals, village courts, polygamy, traditional beliefs about fertility, ancestral spirits, and witchcraft. Her book also offers a moving account of the impact of AIDS on her family as well as looking at drought, deforestation, and the breakdown of traditional structures. An unforgettable picture of contemporary Zimbabwe seen from the perspective of an African woman. Culture and Customs of Zimbabwe Oyekan Owomoyela, 2002-11-30 Zimbabwe formerly known as

Rhodesia won its independence from Great Britain in 1980 yet continues to feel the impact of Western lifestyles and prejudices. This rich, accessible overview freshly examines Zimbabwe, evoking the contemporary ways of life in a largely homogenous and agricultural country. Students and general readers will discover an engaging narrative that ranges from an explanation of the beer culture to a powerful discussion of marriage, family, and gender roles from the Zimbabwean perspective. Owomoyela also authoritatively conveys the coexistence of traditional and Western forces today in such areas as religion and music. A chronology and glossary accompany the text. **The Place of Tears** Ranka Primorac, 2006-06-30 THIS IS AN NJR NOT JACKET BLURB DO NOT USE IT THIS RAW FORM This new and original work is the only recent monographic treatment of the Zimbabwean novel and its political implications. An earlier one by Veit Wild, 1992, has not been updated, and others such as that by Zhuwarara, 2001, are not easily available outside Zimbabwe. The author resided in Zimbabwe for almost a decade and has visited the country regularly in the last five years. She has published extensively on Zimbabwean literature and brings to her work a deep contextual richness as well as theoretical sophistication. Thoroughly up to date, the book examines all the published novels of the recently deceased Yvonne Vera, d. April 2005, as well as major novels of five other internationally acclaimed Zimbabwean writers including Tsitsi Dangarembga and Chenjerai Hove. It does so against a political backdrop which goes right up to the March 2005 parliamentary elections. The book provides a modern and original historical account of post-independence Zimbabwean writing and its relationship to history and politics. The critical investigation focuses on fictional representations of space and time which links the book to the tragically topical Zimbabwean issue of land. Dr Primorac employs a form of literary and cultural theory reminiscent of Bakhtinian analysis but drawn at length from East European theoretical sources. She investigates what the novels have to say about the Zimbabwean condition and makes a sophisticated link between ideas about space and time and novelistic ideologies. More than that, drawing a parallel with the experience of Eastern Europe, she shows how the novel itself breaks out of the confines of the quasi-Marxist analysis which still holds sway in Zimbabwe. As such, the Zimbabwean novel is itself a source of hope in that troubled land. Ranka Primorac has degrees from the universities of Zagreb, Zimbabwe, and Nottingham Trent. She has taught Africa-related courses at several institutions of higher learning in Britain, including the University of Cambridge and New York University in London.

She is interested in non western writing and cultures theoretical approaches to the novel and the narrative production of space time Her co edited volume Versions of Zimbabwe New Approaches to Literature and Culture was published in 2005 by Weaver Press in Harare

Guns and Guerilla Girls Tanya Lyons,2004 The history of women guerilla fighters in the Zimbabwean National Liberation war 1965 80 this book provides an examination of the many different groups of women who joined the armed struggle and contributes to a feminist understanding of Zimbabwe and African history and politics Most previously published accounts of this event in history have tended to focus on the feminine or natural role women played in it ignoring the experiences of female guerilla fighters This book redresses the balance giving voice to a previously unsung group of women
