

Søren Kierkegaard A Biography

Søren Kierkegaard

Soren Kierkegaard A Biography:

Søren Kierkegaard Joakim Garff, 2005 Garff offers a detailed incisive portrait of Søren Kierkegaard the philosopher whose works had an enormous influence upon existentialism postmodernism **Kierkegaard: A Biography** Alastair Hannay, 2003-05-05 Written by one of the world's preeminent authorities on Kierkegaard this 2001 biography was the first to reveal the delicate imbrication of Kierkegaard's life and thought To grasp the importance and influence of Kierkegaard's thought far beyond his native Denmark it is necessary to trace the many factors that led this gifted but according to his headmaster exceedingly childish youth to grapple with traditional philosophical problems and religious themes in a way that later generations would recognize as amounting to a philosophical revolution This book offers a powerful narrative account which will be of particular interest to philosophers literary theorists intellectual historians and scholars of religious studies as well as any non specialist looking for an authoritative guide to the life and work of one of the most original and fascinating figures in Western philosophy *Søren Kierkegaard* United Library, 2024-06-20 Explore the life and philosophy of Søren Kierkegaard the pioneering Danish thinker whose ideas laid the groundwork for existentialist thought As a theologian philosopher poet and social critic Kierkegaard delved into the complexities of human existence challenging conventional wisdom and emphasizing the importance of individual choice and commitment Kierkegaard's work traversed diverse topics from organized religion to ethics psychology and the nature of faith He rejected the prevailing intellectual trends of his time offering a fresh perspective that prioritized personal experience over abstract theories His exploration of Christian ethics and the individual's relationship with God underscored his deep spiritual convictions and his critique of institutionalized religion Throughout his writings Kierkegaard employed metaphor irony and parables to convey his ideas creating a body of work that remains influential in contemporary philosophy and theology This biography delves into the life of a thinker whose insights continue to challenge and inspire readers to rethink their place in the world Delve into the world of Søren Kierkegaard and discover the roots of existentialist philosophy Buy now order now **Søren Kierkegaard** Alastair Hannay, 2018-02-15 The Danish philosopher theologian and author Søren Kierkegaard is widely considered to be one of the most important and wide ranging religious thinkers of the modern age He is known as the father of existentialism but his work was also influential on theories of modernism theology Western culture church politics and the Christian faith His wit imagination and humor have inspired a generation of followers from Woody Allen to Franz Kafka But how did this inattentive schoolboy rise to critique the work of great thinkers such as Hegel and the German romantics Who was the real and unusual person writing behind so many pseudonyms And in what way are Kierkegaard's concepts still relevant today In this absorbing new biography Alastair Hannay unravels the mystery of Søren Kierkegaard's short but momentous career Looking at both Kierkegaard the thinker and the person Hannay describes this controversial figure's key concepts and major works alongside the major incidents in his private and public life From Kierkegaard's longing for selfhood as expressed at the age of twenty two to a self provoked

spat with a satirical weekly that has caused him to be caricatured to this day to a verbal assault on the Church in the months prior to his early death at the age of forty two Søren Kierkegaard is the fascinating story of a man destined to become a thorn in the side of society The Diary Søren Kierkegaard,1960 Søren Kierkegaard who was born in Denmark and died there at the age of forty two is regarded by many as the father of existentialist thinking During his lifetime the Hegelian theologian he reacted against the Hegelian theologians in Denmark denounced organized religion and held that the act of choice by an individual was all important The Diary covers the important elements in Kierkegaard's life including his childhood his relations with his father the influence of other writers on him his broken engagement which had a far reaching effect on the rest of his life and his celebrated quarrel with the Church Kierkegaard's writings are important because he is almost the first European writer to take a modern analytical psychological approach to religion Proust Joyce and Aldous Huxley were only a few of the modern writers influenced by the Dane and Jean Paul Sartre's philosophy of existentialism is based on his thinking

The Soul of Kierkegaard Søren Kierkegaard,2012-07-12 Kierkegaard's journals reflect his further thoughts on the ideas developed in his philosophical and theological works on his tumultuous career as an author and on his own relationship with his work and readers **Kierkegaard's Muse** Joakim Garff,2019-06-25 Kierkegaard's Muse the first biography of Regine Olsen 1822-1904 the literary inspiration and one time fiancée of Danish philosopher Søren Kierkegaard is a moving portrait of a long romantic fever that had momentous literary consequences Drawing on more than one hundred previously unknown letters by Regine that acclaimed Kierkegaard biographer Joakim Garff discovered by chance the book tells the story of Kierkegaard and Regine's mysterious relationship more fully and vividly than ever before shedding new light on her influence on his life and writings Like Dante's Beatrice Regine is one of the great muses of literary history Kierkegaard proposed to her in 1840 but broke off the engagement a year later After their break they saw each other strikingly often inside dimly lit churches on the streets of Copenhagen and on the paths along the old city ramparts passing by without uttering a word Despite or because of their separation in life Kierkegaard made Regine his literary life companion that single individual to whom he dedicated all his works Garff shows how Regine became a poetic presence in the frequent erotic conflicts found throughout Kierkegaard's writings from the famous Seducer's Diary account of their relationship to diary entries made shortly before his death in 1855 In turn Regine remained preoccupied with Kierkegaard until her own death almost fifty years later and her newly discovered letters written to her sister Cornelia reveal for the first time a woman of flesh and blood A psychologically acute narrative that is as gripping as a novel Kierkegaard's Muse is an unforgettable account of a wild strange and poignant romance that made an indelible mark on literary history from dust jacket The Diary of Søren Kierkegaard Søren Kierkegaard,1960 Selections from the writings of the Danish philosopher covering the important events in his life his relations with his father the influence of other writers upon him his engagement and his quarrel with the Church **Philosopher of the Heart** Clare Carlisle,2025-10-16 Philosopher of the Heart is the

groundbreaking biography of renowned existentialist Søren Kierkegaard's life and creativity and a searching exploration of how to be a human being in the world Søren Kierkegaard is one of the most passionate and challenging of all modern philosophers and is often regarded as the founder of existentialism Over about a decade in the 1840s and 1850s writings poured from his pen pursuing the question of existence how to be a human being in the world while exploring the possibilities of Christianity and confronting the failures of its institutional manifestation around him Much of his creativity sprang from his relationship with the young woman whom he promised to marry then left to devote himself to writing a relationship which remained decisive for the rest of his life He deliberately lived in the swim of human life in Copenhagen but alone and died exhausted in 1855 at the age of 42 bequeathing his remarkable writings to his erstwhile fiancée Clare Carlisle's innovative and moving biography writes Kierkegaard's life as far as possible from his own perspective to convey what it was like actually being this Socrates of Christendom as he put it living life forwards yet only understanding it backwards

A Short Life of Kierkegaard Walter Lowrie, 2013-05-05 A small insignificant looking intellectual with absurdly long legs Søren Kierkegaard 1813-1855 was a veritable Hans Christian Andersen caricature of a man A strange combination of witty cosmopolite and melancholy introvert he spent years writing under a series of fantastical pseudonyms lavishing all the splendor of his magnificent mind on a seldom appreciative world He had a tragic love affair with a young girl was dominated by an unforgettable Old Testament father fought a sensational literary duel with a popular satiric magazine and died in the midst of a violent quarrel with the state church for which he had once studied theology Yet this iconoclast produced a number of brilliant books that have profoundly influenced modern thought In this classic biography the celebrated Kierkegaard translator Walter Lowrie presents a charming and warmly appreciative introduction to the life and work of the great Danish writer Lowrie tells the story of Kierkegaard's emotionally turbulent life with a keen sense of drama and an acute understanding of how his life shaped his thought The result is a wonderfully informative and entertaining portrait of one of the most important thinkers of the past two centuries This edition also includes Lowrie's wry essay How Kierkegaard Got into English which tells the improbable story of how Lowrie became one of Kierkegaard's principal English translators despite not learning Danish until he was in his 60s as well as a new introduction by Kierkegaard scholar Alastair Hannay

Fuel your quest for knowledge with Authored by is thought-provoking masterpiece, **Soren Kierkegaard A Biography** . This educational ebook, conveniently sized in PDF (PDF Size: *), is a gateway to personal growth and intellectual stimulation.
