

Sorrow Of Priapus

James Laughlin

Sorrow Of Priapus:

The Sorrows of Priapus Edward Dahlberg, 1970 Records the author's response to human violence and carnality in this fable of the ancient world and pre-Columbian America

The Sorrows of Priapus Edward Dahlberg, 1972 The Sorrows of the Ancient Romans Carlin A. Barton, 2020-10-06 This inquiry into the collective psychology of the ancient Romans speaks not about military conquest, sober law and practical politics but about extremes of despair, desire and envy. Carlin Barton makes us uncomfortably familiar with a society struggling at or beyond the limits of human endurance. To probe the tensions of the Roman world in the period from the first century B.C. through the first two centuries C.E., Barton picks two images: the gladiator and the monster.

New Directions 19 James Laughlin, **Sexual Underworlds of the Enlightenment** George Sebastian Rousseau, Roy Porter, 1987 De onderkant van Verlichting en tolerantie: homo sexualiteit, pornografie en de oer-Fanny Hill in de sociaal-politieke context van de Britse 18e eeuw. De relevante artikelen zijn afzonderlijk ontsloten

Sex and the Gender Revolution, Volume 1 Randolph Trumbach, 1998-12 A revolution in gender relations occurred in London around 1700, resulting in a sexual system that endured in many aspects until the sexual revolution of the 1960s. For the first time in European history, there emerged three genders: men, women, and a third gender of adult effeminate sodomites or homosexuals. This third gender had radical consequences for the sexual lives of most men and women, since it promoted an opposing ideal of exclusive heterosexuality. In *Sex and the Gender Revolution*, Randolph Trumbach reconstructs the worlds of eighteenth-century prostitution, illegitimacy, sexual violence, and adultery. In those worlds, the majority of men became heterosexuals by avoiding sodomy and sodomite behavior. As men defined themselves more and more as heterosexuals, women generally experienced the new male heterosexuality as its victims. But women, as prostitutes, seduced servants, remarrying widows, and adulterous wives, also pursued passion. The seamy sexual underworld of extramarital behavior was central not only to the sexual lives of men and women but to the very existence of marriage, the family, domesticity, and romantic love. London emerges as not only a geographical site but as an actor in its own right, mapping out domains where patriarchy, heterosexuality, domesticity, and female resistance take vivid form in our imaginations and senses. As comprehensive and authoritative as it is eloquent and provocative, this book will become an indispensable study for social and cultural historians and delightful reading for anyone interested in taking a close look at sex and gender in eighteenth-century London.

The Yard of Wit Raymond Stephanson, 2004 Raymond Stephanson configures masculinity and its expressions in male creativity, historically, biographically, and in sufficient deep-layer detail to persuade the most rigorous of scholars that this work will be a reliable source of enduring worth.

George Rousseau, De Montfort University *The Geography of Perversion* Rudi Bleys, 1996-07 Exploring the Western conceptualizations of non-Western patterns of same-sex desire and the evolution of European attitudes to homosexuality, this research particularly examines how the construction of sodomite identity was intertwined with essentialist definitions of so-called racial identity
