Process Thought (2002) Darren Middleton,2018-02-01 Originally published in 2002 *God Literature and Process Thought*
looks at the use of God in writing as a part of the creative advance immersed in the processes of reality and affected by
events in the world This edited collection outlines and promotes the novel view that there is much to be gained when those
who value the insights of process thought encounter the many and varied writers of literature and literary theory It also
celebrates the notion of process poesis a fresh way of reflecting theologically and philosophically that takes account of
literary forms and promises to transform creatively the very structure of process thought today *Sound and Form in*
Modern Poetry Harvey Gross,1968 **Form and Freedom in Korean Poetry** McCann,2024-06-03 **The Metaphysics**
of Sound in Wallace Stevens Anca Rosu,2016-12-13 Demonstrates that Wallace Stevens s experimentation with sound is
not only essential to his poetics but also profoundly linked to the pragmatist ideas that informed his way of thinking about
language **Rethinking Meter** Alan Holder,1995 This study finds that in scanning poetry the commitment to the foot as a
unit of measure satisfies a desire for a poem to display a system But that system is achieved only at the cost of distorting or
obscuring the true stress configuration of verse lines The foot also comes into play in setting up the notion of an ideal line
supposedly heard by the mind s ear and said to be in tension or counterpoint with the actual line *Rethinking Meter* discards
this approach as removing us from our authentic experience of a poem s movement Before presenting its own view of meter
the book takes up the issues of how the words of a poem are to be enunciated the place of pauses and the notion of the line
as the essential formal feature marking off poetry from prose Focusing on iambic pentameter *Rethinking Meter* proceeds to
offer a view of metrical patterns that discards the foot entirely **BOOK JACKET** Title Summary field provided by Blackwell
