Sound Governance Policy And Administrative Innovations:

Sound Governance Ali Farazmand, 2004-12-30 The economic political and cultural forces of globalization affect every citizen of the world and the institutions that govern them Against a backdrop of increasing resistance to these forces especially in the developing world this volume establishes a new theoretical and practical framework for analyzing the effects of globalization on nation states local governments nongovernmental and international organizations and other administrative systems Invoking a term attributed to Darius the Great over 2 500 years ago sound governance editors Ali Farazmand and Rosalyn Carter set the stage for a rich and multidimensional collection of essays on emerging issues in public administration around the world Topics include The impact and influence of the United Nations Ethics and accountability in government Applying the total quality management model to public sector institutions Judicial and legislative reforms Business government partnerships and improvements in the delivery of public services The result is a comprehensive study of innovations in public administration that will serve as an essential resource for students researchers policymakers and practitioners alike

Sound Governance Ali Farazmand, 2005 Governance, Policy and Juxtaposition Michael Roe, 2019-10-01 This book considers governance and policy making within the maritime sector and focuses significantly on the dimensional context within which governance works Recognising the importance of understanding governance and policy at times when the world is faced with social political and economic problems it highlights the fact that both areas are equally significant in understanding today s political economy By focusing on the maritime sector a pillar industry supporting international trade activities the book offers a unique perspective to explain the difficulties of balancing policy making with governance in order to provide solutions It also examines the importance of developing a governance process that encourages and accommodates juxtaposition in a way that ensures that the effect of independent policy making is understood upon the success or otherwise of policies across a range of contexts and problems Given the in depth nature of the text it is of interest to academics researchers and professionals in the field

Comparative Governance Reforms Ali Farazmand, 2024-12-19 This book presents a comprehensive view of governance reforms changes and developments in the structure process and cultures of governments and public administration systems around the world since the 1980s The focus of this book is on the last forty years of experimentation with governance and public administration reforms with an eye to the future A wide range of chapters covers various countries both comparatively and individually and the nature and dynamics of their governance reforms and changes in administrative systems The volume utilizes several theoretical approaches that include 1 institutional theory as applied to explain the context of changes and reforms 2 political economy that explains who gets gains and who loses 3 dialectical theory that explains and analyzes the past and the present and predicts the future of governance reforms across the world and 4 path dependency theory that explains how past experiences tend to influence the future reform efforts Governance reforms are also assessed with the alternative theory of Sound

Governance Farazmand 2004 which considers powerful external political economic and military forces of globalization and their effects on developing nations The book is organized into five parts excluding the Introduction Part I provides a robust theoretical backbone for the volume Parts II IV present case studies as single or groups of countries on governance reforms in select countries of Europe Asia and Central Latin America Part V offers a long concluding chapter on the global governance reforms and puts the previous reform measures with recommendations for future governance and administrative reforms Contributing significantly to knowledge on governance reform administrative reform government and public administration this volume will be of use to scholars and students of public administration governance and policy as well as policy makers and government administrators worldwide *Handbook of Globalization, Governance, and Public Administration* Ali Farazmand, Jack Pinkowski, 2006-07-25 Globalization transcends borders and cultures as it develops both from the natural flow of information and communication technologies and as a directed and driven quest for global hegemony by self serving corporations and world political heavyweights It bears a multifaceted web of influence that manifests in inequalities in growth prosperity and **Frontiers of Governance** L. Pal, 2012-02-07 The first detailed analysis of the Organisation for Economic Co operation and Development s OECD influence on global public sector reform Based on extensive interviews and internal documents this book explores the evolution of the OECD s approach to governance issues over the last 50 years and what its future agenda should be **Promoting Sustainable Local and Community Economic Development** Roland V. Anglin, 2017-09-25 Growing local economies empowering communities revitalizing downtowns developing entrepreneurship building leadership and enhancing nonprofits you can achieve all these benefits and more with a comprehensive and strategic revitalization plan Chronicling the struggle of local revitalization as organizers move from trial and error to effective revitalization strategies Promoting Sustainable Local and Community Economic Development documents the current transformation in community revitalization from market based incentives to mixed strategies of public sector learning partnerships and community capacity Knowledge about the field and what works is growing but not always publicized and readily accessible This reference surveys the breadth of innovative place and people development practices presenting lessons and examples at a general and textured level putting information about innovative ways to change influence and improve the economic development process within easy reach Roland Anglin brings his unique vantage point to the topic his experience as a practitioner and applied academic allowed him to see how community economic development practices grow over time in size scale and impact He highlights the difference between what is now termed community economic development CED and traditional local economic development practice specifically the priority placed on community involvement in economic development partnerships between the private sector and government The book includes case studies that demonstrate what has and has not worked in revitalization efforts as well as how active public and private sector partnerships have been the most effective in revitalization efforts A Resource Guide is included at the end of

the book for readers who may want a more expansive understanding of community economic development Urban Renewal, Community and Participation Julie Clark, Nicholas Wise, 2018-05-02 This edited collection investigates the human dimension of urban renewal using a range of case studies from Africa Asia Europe India and North America to explore how the conception and delivery of regeneration initiatives can strengthen or undermine local communities Ultimately aiming to understand how urban residents can successfully influence or manage change in their own communities contributing authors interrogate the complex relationships between policy planning economic development governance systems history and urban morphology Alongside more conventional methods analytical approaches include built form analysis participant observation photographic analysis and urban labs Appealing to upper level undergraduate and masters students academics and others involved in urban renewal the book offers a rich combination of theoretical insight and empirical analysis contributing to literature on gentrification the right to the city and community participation in neighbourhood change **Local Resource Mobilization** Salma Mobarek, Md Nurul Momen, 2025-09-30 Bangladesh has one of the most centralized local resource management systems in Asia It is however one of the lowest performing regions in terms of local resource mobilization The book focuses on the union council otherwise known as a Union Parishads UPs which is the smallest rural local government unit in Bangladesh The book examines the legal provisions and practices of resource mobilization at UPs to understand the effects of resource mobilization on development activities and the obstacles encountered by UPs when attempting to mobilize resources Based on the extensive empirical research into UPs which includes surveys focus group discussions interviews as well as a review of government reports working papers and legal frameworks the authors argue that current legal provisions and practices in local resource mobilization are ineffective for their intended purpose The book also suggests remedies and policy recommendations for the effective mobilization of local resources *Global Environmental Governance and Desertification* Dr. A.
