Stanley Park Companion:

Inventing Stanley Park Sean Kheraj, 2013-05-15 In early December 2006 a powerful windstorm ripped through Vancouver's Stanley Park. The storm transformed the city's most treasured landmark into a tangle of splintered trees and shattered a decades-old vision of the park as timeless virgin wilderness. In *Inventing Stanley Park* Sean Kheraj traces how the tension between popular expectations of idealized nature and the volatility of complex ecosystems helped transform the landscape of one of the world's most famous urban parks. This beautifully illustrated book not only depicts the natural and cultural forces that shaped the park's landscape, it also examines the roots of our complex relationship with nature. **Public Art in**

Vancouver John Steil, Aileen Stalker, 2009 Featuring more than 500 public art installations, this is the first comprehensive guidebook to explore Vancouver's urban treasures. The character of a city is revealed by the public art that neighborhoods and residents collectively place on streets and walls and in their public spaces. As a city known internationally for its breathtaking cityscapes and mountain backdrop, Vancouver has much to offer visually, including the diverse and thriving public art in the city's neighborhoods. Engaging color photos and detailed descriptions that focus on the historical and cultural context of each art piece, its place in modern art, and the artist who created it, allow for a greater understanding of these urban treasures. Easy-to-follow maps take readers to communities and destinations such as False Creek, Chinatown, the West End, Downtown East Vancouver, VanDusen Garden, Stanley Park, and the University of British Columbia. Tour the better-known and the unknown art installations that are made from every possible media and include monuments, paintings, murals, tapestries, figures, First Nations art, relics, busts, fountains, gateways, mosaics, sculptures, and reliefs. **Dod's Parliamentary**

Companion, 1908 **The Stanley Park Companion** Paul Grant, Laurie Dickson, 2003 Vancouver's Stanley Park is the largest urban park in Canada and is enjoyed by more than eight million people each year. *Companions of the Peace* Monica Storrs, 1999-01-01 After her death, even the non-British inhabitants of the Peace River district described her as one of us. **Debrett's Peerage, Baronetage, Knightage, and Companionship**, 1888 *Paddling Through History* Aileen

Stalker, Andrew Nolan, 2005 Experience inner-city paddling with a guide that tells the story of Vancouver and Victoria from water level. Explore history with the tales behind the people, bridges, lighthouses, museums, and watercraft you will see as you explore these waterways. *Paddling Through History* explains place names, geology, and other highlights and is illustrated with maps and photos. **52 Best Day Trips from Vancouver** Jack Christie, 2015-04-20 The best views, biking, beaches, and

outings for kids—they're all here in an updated edition of the Lower Mainland's favourite guidebook for day trippers described in the clear, upbeat, observant prose that is Jack's trademark. From Delta to Whistler, West Vancouver to Harrison Hot Springs, detailed directions including driving distances and times, as well as special information about wheelchair access, help you find your way and enjoy the sights en route. This fourth edition includes two brand-new chapters: Callaghan Valley in the Whistler mountains and 1,001 Steps Park on Surrey's beaches. **Culture Shock!**, 2007 **Christian Companion**, 1907
