

Программа формирования общества «равных»

- «Заменяя частную собственность на средства производства и обращения общественною и вводя планомерную организацию общественно-производительного процесса для обеспечения благосостояния и всестороннего развития всех членов общества, социальная революция пролетариата уничтожит деление общества на классы и тем освободит все угнетенное человечество, так как положит конец всем видам эксплуатации одной части общества другою».
