

RODDY DOYLE

A NEW YORK TIMES EDITORS' CHOICE

A Star Called Henry

THE NATIONAL BESTSELLER

"Stunning . . . not only Doyle's best novel yet; it is a masterpiece, an extraordinarily entertaining epic."

—*The Washington Post*

Star Called Henry

Tom Hayden

Star Called Henry:

A Star Called Henry Roddy Doyle, 2004-10-05 Roddy Doyle's acclaimed novel about an intrepid Irishman's years of reckless heroism and adventure. An extraordinarily entertaining epic. The Washington Post Born at the beginning of the twentieth century, Henry Smart lives through the evolution of modern Ireland and in this extraordinary novel he brilliantly tells his story. From his own birth and childhood on the streets of Dublin to his role as soldier and lover in the Irish Rebellion, Henry recounts his early years of reckless heroism and adventure. At once an epic, a love story, and a portrait of Irish history, *A Star Called Henry* is a grand picaresque novel brimming with both poignant moments and comic ones and told in a voice that is both quintessentially Irish and inimitably Roddy Doyle's.

A Star Called Henry Roddy Doyle, 2010-06-04 An historical novel like none before it, *A Star Called Henry* has marked a new chapter in Booker Prize winner Roddy Doyle's writing. A subversive look behind the legends of Irish republicanism at its centre, a passionate and unforgettable love story, this novel is a triumphant work of fiction. Born in the slums of Dublin in 1902, his father a one-legged whorehouse bouncer and settler of scores, Henry Smart has to grow up fast. By the time he can walk, he's out robbing, begging, charming, often cold, always hungry, but a prince of the streets. At fourteen, already six foot two, Henry's in the General Post Office on Easter Monday 1916, a soldier in the Irish Citizen Army fighting for freedom. A year later, he's ready to die for Ireland again, a rebel, a Fenian, and soon a killer. With his father's wooden leg as his weapon, Henry becomes a republican legend, one of Michael Collins' boys, a cop killer, an assassin on a stolen bike, a lover.

A Star Called Henry Roddy Doyle, 2009 "Blighted Beginnings" Jonathan Bolton, 2010 This book also looks at how authors have persistently used the bildungsroman to complicate and challenge the idealization of the family, exposing the divorce ban as symptomatic of an unrealistic notion of domestic inviolability. This study concludes with a discussion of the future of the bildungsroman in a country that has transcended many of its formative crises. This chapter considers Doyle's *A Star Called Henry* as a text that inaugurates a new phase in Irish coming-of-age narratives in which many of the problems of Irish life formerly treated so earnestly and tragically can be a source of play and humor. By looking at a comprehensive range of novels by writers like Sean O'Faolain, Elizabeth Bowen, Edna O'Brien, and William Trevor, as well as lesser-known figures like Eimar O'Duffy, Francis MacManus, and Mary Morrissy, *Blighted Beginnings* traces the evolving concerns of Irish writers as they pushed for a greater accommodation of individual freedoms and aspirations.

BOOK JACKET *Irish on the Inside* Tom Hayden, 2020-05-05 Tom Hayden first realized he was Irish on the inside when he heard civil rights marchers in Northern Ireland singing *We Shall Overcome* in 1969. Though his great grandparents had been forced to emigrate to the US in the 1850s, Hayden's parents erased his Irish heritage in the quest for respectability. In this passionate book, he explores the losses wrought by such conformism. Assimilation, he argues, has led to high rates of schizophrenia, depression, alcoholism, and domestic violence within the Irish community. Today's Irish Americans, Hayden contends, need to re-inhabit their history to recognize that assimilation need not entail submission. By recognizing their links

to others now experiencing the prejudice once directed at their ancestors they can develop a sense of themselves that is both specific and inclusive The survival of a distinct Irish soul is proof enough that Anglo culture will never fully satisfy our needs We have a unique role in reshaping American society to empathize with the world's poor for their story is the genuine story of the Irish

A Star Called Henry; Last Roundup Roddy Doyle, 1999 Offers a portrait of an adventuresome Irishman named Henry Smart and IRA assassin and 1916 Easter Rebellion fighter from his Dublin birth to his adulthood when he becomes the father of a young rebel

Haunted historiographies Matthew Schultz, 2016-05-16 The spectres of history haunt Irish fiction In this compelling study Matthew Schultz maps these rhetorical hauntings across a wide range of postcolonial Irish novels and defines the spectre as a non present presence that simultaneously symbolises and analyses an overlapping of Irish myth and Irish history By exploring this exchange between literary discourse and historical events Haunted historiographies provides literary historians and cultural critics with a theory of the spectre that exposes the various complex ways in which novelists remember represent and reinvent historical narrative It juxtaposes canonical and non canonical novels that complicate long held assumptions about four definitive events in modern Irish history the Great Famine the Irish Revolution the Second World War and the Northern Irish Troubles to demonstrate how historiographical Irish fiction from James Joyce and Samuel Beckett to Roddy Doyle and Sebastian Barry is both a product of Ireland's colonial history and also the rhetorical means by which a post colonial culture has emerged

A Star Called Henry Roddy Doyle, 2000 Doyle's ambitious new novel is a passionate love story that takes a subversive look behind the legends of Irish republicanism through the eyes of one of Michael Collins infamous boys a cop killer an assassin on a stolen bike a lover

Reading Roddy Doyle Caramine White, 2001-06-01 Roddy Doyle is one of the most popular Irish writers at work today His book Paddy Clarke Ha Ha Ha won the Booker Prize and The Commitments The Snapper and The Van have all been made into feature films In this first critical look at his oeuvre Caramine White explores Doyle's innovative use of language his employment of humor to further his characters development and manipulate his audience the role however slight that religion and politics play in his writing and Doyle's overall social vision as projected in each book and as part of a complete body of work Prominent aspects of each novel are brought to light for instance the function of music in The Commitments the importance of humor to diffuse tension in The Snapper the growing realism and deeper character development in The Van the use of double writing in Paddy Clarke and the symbolic significance of Paula's life as a metaphor for the abuses women suffer in a patriarchal society in The Woman Who Walked into Doors White also discusses his recent novel the critically acclaimed A Star Called Henry She completes the volume with a transcription of an extensive interview with the author that reveals many facets of Doyle's life reflected in his writing

No Country for Old Men Paddy Lyons, 2008 The concepts of Ireland and Irishness are in constant flux in the wake of an ever increasing reappraisal of the notion of cultural and national specificity in a world assailed from all angles by the forces of globalisation and uniformity Reimagining Ireland interrogates Ireland's past and present and suggests

possibilities for the future by looking at Ireland's literature culture and history and subjecting them to the most up to date critical appraisals associated with sociology literary theory historiography political science and theology
