WEINER,1990     **The Star Trek, the Next Generation** Larry Nemecek,1995 Completely revised and updated this guidebook takes readers all the way through the last two seasons of the series including the Paramount Pictures release of the blockbuster film Star Trek Generations The book includes fascinating behind the scenes information and specially selected photos at least one from every episode     **Net Trek** Kelly Maloni,1995 Packed with concise high interest descriptions handy side bars and eye-catching graphics this is the first comprehensive listing of online Trekker interest groups conferences forums games and trivia It covers the Internet the major commercial services including CompuServe America Online and Prodigy and hundreds of bulletin boards     **Video Source Book** ,2006 A guide to programs currently available on video in the areas of movies entertainment general interest education sports recreation fine arts health science business industry children juvenile how to instruction     **"Hailing frequencies open"** Thomas D. Parham, III,2019-07-15 Star Trek The Next Generation blended speculative science fiction and space opera in its portrayal of communication Multiple modes of communication used between characters are presented and the multilevel tapestry of communication in the series is critical in its appeal This book proposes that these patterns of communication reveal a foundational philosophy of Star Trek while enticing millions of viewers These patterns serve both to cause strong empathetic connections with characters and to impel viewers to form relationships with the show explaining their extreme devotion     **Video Source Book** Gale Group,1999-10-28 A guide to programs currently available on video in the areas of movies entertainment general interest education sports recreation fine arts health science business industry children juvenile how to instruction     Exploring Picard's Galaxy Peter W. Lee,2018-02-02 Serving as the sequel to Gene Roddenberry's original television series Star Trek The Next Generation pushed the boundaries of the final frontier At the same time the show continued the franchise's celebrated exploration of the human experience reflecting current social and political events ST TNG became immensely successful spawning four feature films and several television spin offs This collection of new essays explores both the series characters and its themes Topics include the Federation's philosophy concerning technocracy sexuality and biopolitics foreign policy shifts in the Prime Directive key characters including Jean Luc Picard Data Deanna Troi Tasha Yar and Klingon martial arts music and history     Brill's Companion to the Reception of Alexander the Great ,2018-09-11 Brill's Companion to the Reception of Alexander

the Great offers a considerable range of topics of interest to students and academics alike in the long tradition of this subject's significant impact across a sometimes surprising and comprehensive variety of areas. Arguably no other historical figure has cast such a long shadow for so long a time. Every civilisation touched by the Macedonian Conqueror along with many more that he never imagined has scrambled to own some part of his legacy. This volume canvasses a comprehensive array of these receptions beginning from Alexander's own era and journeying up to the present in order to come to grips with the impact left by this influential but elusive figure.
