Star Wars Starts Wars Spokesman:

The Last Patriot Bernard W. Rees, 2005-04-25 An American newspaper reporter Owen OBrien is on the run in China Why is he being chased by both the Chinese and the CIA Who is the beautiful blonde with whom he becomes emotionally entangled As OBrien attempts to escape along the ancient Silk Road over the high Himalayas into Pakistan he carries a terrifying secret crucial to Americas security This fast paced romantic thriller dealing with big power politics corruption in high places and the subversion of the democratic process in America will grip the reader from beginning to end REVIEW EXPATICA MAGAZINE EUROPE Expats have an advantage when writing fiction doing unusual things in exotic places is often part of the experience of living and working outside your native country Dutch resident Bernard W Rees takes us to the Philippines in *The Manila Galleon* and to China along the Silk Road and over the Himalayas into Pakistan in *The Last Patriot* Born in Llanelli in Wales Rees has seen his fair share of the world He grew up in Kampala Uganda and Nairobi in Kenya At sixteen he went to sea and got his first taste of the Orient He emigrated to Canada in his early 20s where he traded ships and cargo for many years from the Americas to the Persian Gulf China Japan and Korea Following the death of his first wife in 1995 Rees decided he needed to change my life and do something new He sold his shipping business and moved to Manila where in his spare time he searched for Spanish treasure ships This is when he developed another talent he pens a good yarn The main character of *The Manila Galleon* is Peter de Vries a rogue CIA agent Of course rogue CIA agents are common in thrillers these days and one who has lost his memory isnt that original either But what really matters is that Rees makes something of this character in this page turning thriller with a twist De Vries gets involved in the salvage of a 17th century Spanish treasure ship while at the same time he must avoid the CIA and discover the significance of his dreams about the Galleon and its fatal encounter with Dutch privateers The sole survivor was a Dutch prisoner Captain Jeroen de Vries Rees wrote his second novel while living in the US from 2003 to 2005 The CIA is there again but this time the main setting is China This book is heavier than *Galleons* as it deals with the major problems facing the world today energy security terrorism and the looming potential of conflict between the US and China The hero if that is the correct term is Owen O'Brien a cynical alcoholic journalist and the heroine is an idealistic young doctor working with orphaned AIDS children in China Written as a memoir to his daughter the book recounts how OBrien comes into possession of secret documents outlining a plan to attack the US The CIA which will never hire Rees to do its PR is again the bad guy as it joins forces with the Chinese to stop OBrien fleeing with the papers If this was Hollywood the hero would save the day at the last minute But Rees a world wise expat doesnt go for sugar coated endings Not to give too many secrets away Reese wrote a second Hollywood ending for *Galleons* to maintain the domestic peace with his wife *The Last Patriot* has a more open ending Reese opened yet another new chapter in his life when he moved to the Netherlands as the trailing spouse at the beginning of 2006 The couples teenage children enrolled in the international school in Arnhem and their youngest is attending Dutch elementary school This expat author is

now working on a series of books about an American living in Paris We will eagerly await publication **Young People's Star Speaker** Emma Griffith Lumm,1898 *The Transmedia Franchise of Star Wars TV* Dominic J. Nardi,Derek R. Sweet,2020-11-11 While previous work on the Star Wars universe charts the Campbellian mythic arcs political representations and fan reactions associated with the films this volume takes a transmedial approach to the material recognizing that Star Wars TV projects interact with and relate to other Star Wars texts The chapters in this volume take as a basic premise that the televisual entrants into the Star Wars transmedia storyworld are both important texts in the history of popular culture and also key to understanding how the Star Wars franchise and thus industry wide transmedia storytelling strategies developed The book expands previous work to consider television studies and sharp cultural criticism together in an effort to bring both long running popular series long ignored texts and even toy commercials to bear on the franchise s complex history *The Commercial Space Age* Andrew M. Thorpe,2003-05 *The Rise of the Commercial Space Industry* Brian C. Odom,2024-09-13 This collection explores the evolution of the commercial space industry from the beginning of the space age through the early twenty first century Today the space industry is taking on an increased leadership and innovation role in both space access and exploration The growth of commercial space over the past decades offers a potential new paradigm for space exploration one in which industry transitions from supplier to partner However many questions remain This book seeks to bring to light these questions which span from the most seemingly consequential how will humanity explore the Moon and Mars to the most basic what is commercial space To further develop the historical context of commercial space and thereby better inform decision making at NASA in the future this volume examines a broad range of questions related to the history of commercial space operations including but not limited to how has the concept of commercial space evolved in different fields and disciplines What have been the major events and milestones in the emergence and evolution of commercial space activities in the USA and internationally How has the US Government assisted or impeded the emergence and evolution of commercial space activities Providing contributions from a range of different disciplines and backgrounds the authors of this volume offer valuable insights for scholars researching the history of space and space policy as well as decision makers working at NASA or within the wider space industry *Potential Conversion of WPPSS 1 Commercial Nuclear Powerplant to a Production Reactor* United States.
