Nature's Crossroads George Vrtis, Christopher W. Wells, 2023-01-10 Minnesota's Twin Cities have long been powerful engines of change From their origins in the early nineteenth century the Twin Cities helped drive the dispossession of the region's Native American peoples turned their riverfronts into bustling industrial and commercial centers spread streets and homes outward to the horizon and reached well beyond their urban confines setting in motion the environmental transformation of distant hinterlands As these processes unfolded residents inscribed their culture into the landscape complete with all its tensions disagreements contradictions prejudices and social inequalities These stories lie at the heart of *Nature's Crossroads* The book features an interdisciplinary team of distinguished scholars who aim to open new conversations about the environmental history of the Twin Cities and Greater Minnesota

The Lure of the North Woods Aaron Shapiro, 2013-03-30 In the late nineteenth century the North Woods offered people little in the way of a pleasant escape Rather it was a hub of production supplying industrial America with vast quantities of lumber and mineral ore This book tells the story of how northern Minnesota northern Wisconsin and Michigan's Upper Peninsula became a tourist paradise turning a scarred countryside into the playground we know today Stripped of much of its timber and ore by the early 1900s the North Woods experienced deindustrialization earlier than the Rust Belt cities that consumed its resources In *The Lure of the North Woods* Aaron Shapiro describes how residents and visitors reshaped the region from a landscape of exploitation to a vacationland The rejuvenating North Woods profited in new ways by drawing on emerging connections between the urban and the rural including improved transportation promotion recreational land use and conservation initiatives Shapiro demonstrates how this transformation helps explain the interwar origins of modern American

environmentalism when both the consumption of nature for pleasure and the work of the Civilian Conservation Corps in the North Woods and elsewhere led many Americans to cultivate a fresh perspective on the outdoors At a time when travel and recreation are considered major economic forces The Lure of the North Woods reveals how leisure and tourism in particular has shaped modern America [Minnesota History](#) Theodore Christian Blegen, Bertha Lion Heilbron, 2006 Vol 6 includes the 23d Biennial report of the Society 1923 24 as an extra number *Damn Right!* Janet Lowe, 2000-10-30 Praise For Damn Right From the author of the bestselling WARREN BUFFETT SPEAKS Charlie Munger whose reputation is deep and wide based on an extraordinary record of brilliantly successful business strategies sees things that others don't There is a method to his mastery and through this book we get a chance to learn about this rare individual MICHAEL EISNER Chairman and CEO The Walt Disney Company Janet Lowe uncovers the iconoclastic genius and subtle charm behind Charlie Munger's curmudgeonly facade in this richly woven portrait of our era's heir to Ben Franklin With a biographer's detachment an historian's thoroughness and a financial writer's common sense Lowe produces a riveting account of the family personal and business life of this idiosyncratically complex and endlessly fascinating figure LAWRENCE A CUNNINGHAM Cardozo Law School Author of The Essays of Warren Buffett Lessons for Corporate America For years Berkshire Hathaway shareholders and investors worldwide me included have struggled to learn more about Warren Buffett's cerebral sidekick Now we can rest and enjoy reading Janet Lowe's book about this rare intellectual jewel called Charlie Munger ROBERT G HAGSTROM Author of The Warren Buffett Way Charlie has lived by the creed that one should live a life that doesn't need explaining But his life should be explained In a city where heroism is too often confused with celebrity Charlie is a true hero and mentor He lives the life lessons that he has studiously extracted from other true heroes and mentors from Ben Franklin to Ben Graham This book illuminates those life lessons RONALD L OLSON Munger Tolles Olson LLP Janet Lowe's unprecedented access to Charlie Munger and Warren Buffett has resulted in a first class book that investors academics and CEOs will find entertaining and highly useful TIMOTHY P VICK Money Manager and Author of How to Pick Stocks Like Warren Buffett
