

Star-Spangled Kitsch

An Astounding and Tastelessly Illustrated Exploration of the Bawdy,
Gaudy, Shoddy Mass-Art Culture in This Grand Land of Ours

Curtis F. Brown

Star Spangled Kitsch

Fabio Cleto

Star Spangled Kitsch:

Star-spangled Kitsch Curtis F. Brown, 1975 Kitsch in home decoration from the blue blood mecca of a 19th century Vanderbilt mansion to bogus Aztec living room ensembles Instant Congo furniture and Santa Claus toilet paper Kitsch in advertising from an early Coco Cola belt buckle depicting a naked nun to the near sadistic depiction of water logged caskets to engender guilt feelings in the bereaved Architectural kitsch from nonfunctional wooden church buttresses and Gilded Age palazzi to the corniest building in America the world's tallest shanty and a leaning Tower of Pizza Kitsch in art from an 1832 statue of George Washington looking like a Turkish bath patron to phony scrimshaw Venus de Milo candles do it yourself primitive plywood plaques and Mona Lisa drawings by computer Show biz kitsch world's fairs dance marathons the films of Griffith DeMille and Berkeley the music styles of Lawrence Welk Liberace Jobriath and Alice Cooper Kitsch and Art Thomas Kulka, 2011-09-30 What is kitsch What is behind its appeal More important what is wrong with kitsch Though central to our modern and postmodern culture kitsch has not been seriously and comprehensively analyzed its aesthetic worthlessness has been generally assumed but seldom explained Kitsch and Art seeks to give this phenomenon its due by exploring the basis of artistic evaluation and aesthetic value judgments Tomas Kulka examines kitsch in the visual arts literature music and architecture To distinguish kitsch from art Kulka proposes that kitsch depicts instantly identifiable emotionally charged objects or themes but that it does not substantially enrich our associations relating to the depicted objects or themes He then addresses the deceptive nature of kitsch by examining the makeup of its artistic and aesthetic worthlessness Ultimately Kulka argues that the mass appeal of kitsch cannot be regarded as aesthetic appeal but that its analysis can illuminate the nature of art appreciation **Star Struck** Sam Riley, 2009-12-09 This balanced examination looks at America's pervasive celebrity culture concentrating on the period from 1950 to the present day Star Struck An Encyclopedia of Celebrity Culture is neither a stern critic nor an apologist for celebrity infatuation a phenomenon that sometimes supplants more weighty matters yet constitutes one of our nation's biggest exports This encyclopedia covers American celebrity culture from 1950 to 2008 examining its various aspects and its impact through 86 entries by 30 expert contributors Demonstrating that all celebrities are famous but not all famous people are celebrities the book cuts across the various entertainment medias and their legions of individual stars It looks at sports celebrities and examines the role of celebrity in more serious pursuits and institutions such as the news media corporations politics the arts medicine and the law Also included are entries devoted to such topics as paranoia and celebrity one name celebrities celebrity nicknames family unit celebrity sidekick celebrities and even criminal celebrities Camp Fabio Cleto, 1999 The complete guide to camp an anthology of the best writing on its history and current theory in cultural studies and lesbian and gay studies *The Colossus of Roads* Karal Ann Marling, A rich and lively examination of this curious and pervasive tradition The world's largest prairie chicken a restaurant shaped like a fish a massive Paul Bunyan an enormous ear of corn roadside sculpture is a

uniquely American phenomenon and these strange and wonderful figures are scattered along highways and standing in small town squares particularly in the Midwest These odd oversized attractions have become destinations for travelers Whether it serves art commerce or local pride the colossus is a stopping place where the everyday rules of reality are suspended and the observer can gain insight into the way these communities imagine themselves Karal Ann Marling visits dozens of these roadside attractions viewing them analytically intellectually and enthusiastically tracing each one through folklore and literature Heavily illustrated this book takes the reader on the road to examine these treasures and all that they represent

Five Faces of Modernity Matei Călinescu, 1987 This ambitious and illuminating book offers an analysis of nothing less than the aesthetic and intellectual ideas which have governed literary production during the past 150 years **My Silver Planet** Daniel Tiffany, 2014 Taking its title from John Keats *My Silver Planet* contends that the problem of elite poetry's relation to popular culture bears the indelible mark of its turbulent incorporation of vernacular poetry a legacy shaped by nostalgia contempt and fraudulence Daniel Tiffany reactivates and fundamentally redefines the concept of kitsch freeing it from modernist misapprehension and ridicule by tracing its origin to poetry's alienation from the emergent category of literature Tiffany excavates the forgotten history of poetry's relation to kitsch beginning with the exuberant revival of archaic and often spurious ballads in Britain in the early eighteenth century In these controversial events of poetic imposture Tiffany identifies a submerged pact in opposition to the bourgeois values of literature between elite and vernacular poetries Publisher's description *The Making of Salem* Robin DeRosa, 2009-10-21 The Salem Witch Trials of 1692 are a case study in hysteria and group psychology and the cultural effects still linger centuries later This critical study examines original trial transcripts historical accounts fiction and drama film and television shows and tourist sites in contemporary Salem challenging the process of how history is collected and recorded Drawing from literary and historical theory as well as from performance studies the book offers a new definition of history and uses Salem as a tool for rethinking the relationships between the truth and the stories people tell about the past *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office, 1977 Sincerity R Jay Magill, 2012-07-16 What do John Calvin Sarah Palin Jean Jacques Rousseau and Bon Iver have in common A preoccupation with sincerity With deep historical perspective and a brilliant contemporary spin R Jay Magill Jr tells the beguiling tale of sincerity's theological past its current emotional resonance and the deep impact it has had on the Western soul At a time when politicians are scrutinized less for the truth of what they say than for how much they really mean it *Sincerity* provides a wide ranging examination of a moral ideal that remains a strange magnetic north in our secular moral compass
