

Stargazer

Andy Warhol's World and His Films

by Stephen Koch

Stargazer Andy Warhols World And His Films

Melissa L. Mednicov

Stargazer Andy Warhol's World And His Films:

Stargazer; Andy Warhol's World and His Films Stephen Koch, 1973 **Stargazer** Stephen Koch, 2015-02-17 The definitive critical study of twentieth century pop culture icon Andy Warhol the man who redrew the boundaries of art Andy Warhol's work and personality changed American visual culture forever making him an international superstar In this must read volume heralded as exemplary by Artforum and resoundingly brilliant by Film Comment Stephen Koch provides unprecedented detail on Warhol's life and work his rise to global fame his entanglement with the seedy New York sexual underground and the shocking assassination attempt that almost ended his life are chronicled giving particular attention to a medium that found Andy at his wildest film The superstars he created Candy Darling Ultra Violet Edie Sedgwick to populate his films and his curation of socialites mingling with hustlers that coined the phrase The Beautiful People seem prescient as we consider today's stars and cultural panorama In Stargazer Koch illuminates the inspiration and brilliance on both sides of the public image that Warhol who made paradox an art form so meticulously crafted In doing so he gets to the core of Warhol's most interesting invention his own public personality the strange persona that this frightened and brilliantly talented poor boy from Pittsburgh created to survive the savage world of his own ambitions Stargazer is to die over Andy Warhol A volume of profound insight resoundingly brilliant It assumes the place of cornerstone in what will someday become a scholarly edifice dedicated to the analysis both of Warhol's meanings and of Warhol's forms Film Comment Some of the most exemplary critical writing that I have encountered Moving across the convoluted terrain of Warhol's sensibility with an ease and fluidity that draws the reader effortlessly around their quarry Artforum A landmark in American criticism Stargazer is not only compelling beyond anything one expects of criticism it happens also to be utterly timely The Boston Phoenix

Andy Warhol Annette Michelson, 2002-01-18 A critical primer on the work of Andy Warhol Andy Warhol 1928 1987 one of the most celebrated artists of the last third of the twentieth century owes his unique place in the history of visual culture not to the mastery of a single medium but to the exercise of multiple media and roles A legendary art world figure he worked as an artist filmmaker photographer collector author and designer Beginning in the 1950s as a commercial artist he went on to produce work for exhibition in galleries and museums The range of his efforts soon expanded to the making of films photography video and books Warhol first came to public notice in the 1960s through works that drew on advertising brand names and newspaper stories and headlines Many of his best known images both single and in series were produced within the context of pop art Warhol was a major figure in the bridging of the gap between high and low art and his mode of production in the famous studio known as The Factory involved the recognition of art making as one form of enterprise among others The radical nature of that enterprise has ensured the iconic status of his art and person Andy Warhol contains illustrated essays by Benjamin H D Buchloh Thomas Crow Hal Foster Rosalind Krauss Annette Michelson and Nan Rosenthal plus a previously unpublished interview with Warhol by Buchloh The essays address Warhol's relation to and effect on mass

culture and the recurrence of disaster and death in his art The Oxford History of World Cinema ,1996-10-17 From its humble beginnings as a novelty in a handful of cities cinema has risen to become a billion dollar industry and the most spectacular and original contemporary art form It has spread to all parts of the globe and is enjoyed by audiences that cut across all sections of society The Oxford History of World Cinema traces the history of this enduringly popular entertainment medium Covering all aspects of its development stars studios and cultural impact the book celebrates and chronicles over one hundred years of diverse achievement from westerns to the New Wave from animation to the Avant Garde and from Hollywood to Hong Kong An international team of distinguished film historians tells the story of the major inventions and developments in the cinema business its institutions genres and personnel other chapters outline the evolution of national cinemas round the world the varied and distinctive filmic traditions that have developed alongside Hollywood A unique aspect of the book are the special inset features on the film makers and personalities Garbo and Godard Keaton and Kurosawa Bugs Bunny and Bergman who have had an enduring impact in popular memory and cinematic lore With over 300 illustrations a full bibliography and an extensive index this is the buff s ultimate guide to cinema worldwide **The Films of Paul Morrissey**

Maurice Yacowar,1993-05-28 The Films of Paul Morrissey is the first appraisal of one of the major figures of American independent cinema An innovator in the narrative cinema that emerged from Andy Warhol s Factory Morrissey as established in this study was also the force who shaped the most important films that have heretofore been attributed to Warhol The director s experiments in the use of non professional actors controversial subject matter and language are demonstrated through analysis of his most accomplished achievements including Mixed Blood 40 Deuce and Spike of Bensonhurst The Films of Paul Morrissey furthermore reveals the director s challenge to the moral social and political values of contemporary liberalism *Transfential Poetics, from Poe to Warhol* Adam Frank,2014-12-15

Transfential Poetics presents a method for bringing theories of affect to the study of poetics Informed by the thinking of Silvan Tomkins Melanie Klein and Wilfred Bion it offers new interpretations of the poetics of four major American artists Edgar Allan Poe Henry James Gertrude Stein and Andy Warhol The author emphasizes the close reflexive attention each of these artists pays to the transfer of feeling between text and reader or composition and audience their transfential poetics The book s historical route from Poe to Warhol culminates in television a technology and cultural form that makes affect distinctly available to perception The peculiar theatricality of these four artists Frank argues can best be understood as a reciprocal framing relation between the bodily means of communicating affect by face and voice and technologies of graphic reproduction

Art and Homosexuality Christopher Reed,2011-05-26 This bold globe spanning survey is the first book to thoroughly explore the radical long standing interdependence between art and homosexuality It draws examples from the full range of the Western tradition including classical Renaissance and contemporary art with special focus on the modern era It was in the modern period when arguments about homosexuality and the avant garde were especially public that our current

conception of the artist and the homosexual began to take shape and almost as quickly to overlap Not a chronology of gay or lesbian artists the book is a fascinating and sophisticated account of the ways two conspicuous identities have fundamentally informed one another Art and Homosexuality discusses many of modernism's canonical figures painters like Courbet Picasso and Pollock writers like Whitman and Stein and issues such as the rise of abstraction the avant garde's relationship to its patrons and the political exploitation of art It shows that many of the core ideas that define modernism are nearly indecipherable without an understanding of the paired identities of artist and homosexual Illustrated with over 175 b w and color images that range from high to popular culture and from Ancient Greece to contemporary America Art and Homosexuality punctures the platitudes surrounding discussions of both aesthetics and sexual identity and takes our understanding of each in stimulating new directions

Pop Art and Popular Music Melissa L. Mednicov, 2018-06-14 This book offers an innovative and interdisciplinary approach to Pop art scholarship through a recuperation of popular music into art historical understandings of the movement Jukebox modernism is a procedure by which Pop artists used popular music within their works to disrupt decorous modernism during the sixties Artists including Peter Blake Pauline Boty James Rosenquist and Andy Warhol respond to popular music for reasons such as its emotional connectivity issues of fandom and identity and the pleasures and problems of looking and listening to an artwork When we both look at and listen to Pop art essential aspects of Pop's history that have been neglected its sounds its women its queerness and its black subjects come into focus

Working Like a Homosexual Matthew Tinkcom, 2002-03-18 Rather than seeing camp as a mode of reception a way of reading straight popular culture Tinkcom sees it as an intentional product of gay men within the film industry

Pop Goes the Decade Martin Kich, Aaron Barlow, 2020-01-07 Analyzing complex social and political issues through their manifestations in popular culture this book provides readers a strong foundational knowledge of the 1960s as a decade 1969 went out in a way that could never have been imagined in 1960 While the president at the end of the decade had been vice president at the start the intervening years permanently changed American culture Pop Goes the Decade The Sixties explores the cultural and social framework of the 1960s addressing film television sports technology media advertising fashion art and more Entries are presented in encyclopedic fashion organized into such categories as controversies in pop culture game changers technology and the decade's legacy A timeline highlights significant cultural moments while an introduction and a conclusion place those moments within the contexts of preceding and subsequent decades Attention to the decade's most prominent influencers allows readers to understand the movements with which these figures are associated and discussion of controversies and social change enables readers to gain a stronger understanding of evolving American social values

Adopting the Tune of Appearance: An Psychological Symphony within **Stargazer Andy Warhols World And His Films**

In a world taken by monitors and the ceaseless chatter of instant interaction, the melodic elegance and psychological symphony created by the published term usually fade into the backdrop, eclipsed by the relentless noise and disruptions that permeate our lives. However, set within the pages of **Stargazer Andy Warhols World And His Films** a wonderful literary value filled with raw emotions, lies an immersive symphony waiting to be embraced. Constructed by a wonderful composer of language, that charming masterpiece conducts readers on an emotional trip, well unraveling the hidden tunes and profound influence resonating within each carefully crafted phrase. Within the depths of this emotional assessment, we will examine the book is key harmonies, analyze their enthralling writing fashion, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
