The Gospel in the Stars Joseph Augustus Seiss, 1882 **Gospel in the Stars** Joseph A. Seiss, 2020-04-23 Written in 1882 by one of the most popular Lutheran preachers of the day this book draws on scientific historical and biblical sources It shows that not astrology but rather the gospel of Jesus can be seen in the stars Seiss believed that the heavens revealed God s glory and his plan of salvation Seiss was convinced that God had etched His good news in the heavens that people in darkness might see and gain hope Print ed [The Healer](#) J.P. Moonshine, 2018-07-13 The creator had become aware He began to process thought in the midnight darkness of the void He had no concept of time or dimension He only knew that he existed He was left alone in the dark void only with his thoughts He did not understand what light was but he was beginning to understand what loneliness was His first emotions bordered on despair and sorrow There was no concept of joy and happiness to build a foundation upon Great storm clouds began to form with his rage He searched for inner peace then took stock of his surroundings *THE HEALER* John Thomas Tuft, 2019-08-06 Gideon Waters faces mortal danger when he discovers his blood can cure disease A ragtag group of Guardians are trying to convince him he holds the key to the future of the human race and beyond to other races in other worlds But anyone who helps him is brutally murdered Gideon races to find the woman pregnant with the last hope of humanity who lies dying in Pittsburgh Pursued from the Shenandoah Valley to the shores of Lake Erie by those defending the centers of power and faith in this world Gideon becomes a reluctant warrior in the bloody conflict as well as the hesitant harbinger of the hopes of all peoples of this world and those beyond In a fast moving journey with unexpected twists and revelations heartbreaking confrontations and losses Gideon rediscovers love with one of those sworn to give up her life to protect him and confronts the man who caused his deepest pain Bertram deH

Atwood says John Thomas Tuft is a worthy successor to Frederick Buechner in his characters and style of storytelling Also by John Thomas Tuft *Even the Darkness* **The Gospel Next Door** Marty Troyer, 2016-06-20 As Christians we pray for God's kingdom to come on earth as it is in heaven But what does that even mean Would we recognize God's kingdom if it moved in next door Learn to see God's work in your neighborhood city and the world and learn how to join it With stories from his own city of Houston Texas author Marty Troyer introduces a theology of place that empowers us to truly see the work of God where we live work and play The Gospel Next Door unpacks the gospel through the lenses of following Jesus making peace and overcoming injustice Those seeking to connect more deeply with the world that God so loved will find compelling stories and practical ideas for healing brokenness and imagining new life Start living out the kingdom of God here and now Free downloadable study guide available here *The Gospel in the Stars* Joseph A. Seiss, 1884 This fully illustrated volume will captivate the interest of those pursuing a study of astronomy and of Bible students seeking reinforcing truths concerning the unity of creation and revelation *Rays from the Rose Cross* , 1918
