Inside the TV Writer's Room Lawrence Meyers, 2010-06-02 Aspiring writers often ask how they can break into the television writing business Meyers believes that the answer can be found by asking why people become television writers and what makes them successful Inside the TV Writer's Room reveals these insights and much more This volume a collection of interviews with some of today's top episodic writers arranged in a roundtable format explores the artists drive to express how they honed their creativity and what compromises they have made to pursue their craft both before and after finding success Each chapter's topic is distilled into a practical lesson for both professionals and aspirants to heed if they wish to find or maintain success in writing for television The book includes such leading entertainment writers and producers as Neal Baer executive producer of the NBC series Law Order Special Victims Unit Tim King of the groundbreaking hit Heroes Peter Lenkov of 24 and CSI New York and Shawn Ryan creator of the acclaimed series The Shield Individual writers discuss the struggle to balance artistic fulfillment with the realities of commerce and how they inject an original voice into a show that is often not their own creation

TV on Strike Cynthia Littleton, 2013-01-31 TV on Strike examines the upheaval in the entertainment industry by telling the inside story of the hundred day writers strike that crippled Hollywood in late 2007 and early 2008 The television industry's uneasy transition to the digital age was the driving force behind the most significant labor dispute of the twenty first century The strike put a spotlight on how the advent of new media distribution platforms is reshaping the traditional business models that have governed the television industry for decades The uncertainty that sent writers out into the streets of Los Angeles and New York with picket signs laid bare the depth of the divide between the media barons who rule the entertainment industry and the writers who are integral as the creators of movies and television shows With both sides afraid of losing millions in future profits a critical communication breakdown spurred a fierce battle with repercussions

that continue today The saga of the Writers Guild of America strike is told through the eyes of the key players on both sides of the negotiating table and of the foot soldiers who surprised even themselves with the strength of their resolve to fight for their rights in the face of an ambiguous future In the years since the strike ended the rise of digital distribution platforms has changed the business landscape in ways that few could have predicted when Hollywood guilds were feverishly trying to hammer out a contract template for a new era

Focus On: 100 Most Popular Television Series by 20th Century Fox Television Wikipedia contributors, **Interrogating The Shield** Nicholas Ray, 2012-09-27 When The Shield first appeared on US television in March 2002 it broke ratings records with the highest audience rated original series premiere in cable history In the course of its subsequent seven season run the show went on to win international acclaim for its abrasive depiction of an urban American dystopia and the systemic political and juridical corruption feeding it The first book dedicated to the analysis of this immensely successful series Interrogating The Shield brings together ten critical essays written from a variety of methodological and theoretical perspectives Topics range from an exploration of the series derivation genre and production to expositions of the ethics aesthetics and politics of the show As may be expected from a multiauthored collection this volume does not seek to present a homogenized account of The Shield The show is variously applauded and critiqued In their critical variety however the essays in this book are a testament to the cultural significance and creative complexity of the series As such they are a reminder of the renewed power of quality television drama today

Reading Joss Whedon Rhonda V. Wilcox, Tanya R. Cochran, Cynthia Masson, David Lavery, 2014-05-16 In an age when geek chic has come to define mainstream pop culture few writers and producers inspire more admiration and response than Joss Whedon From Buffy the Vampire Slayer to Much Ado About Nothing from Dr Horrible's Sing Along Blog to The Avengers the works of Whedon have been the focus of increasing academic attention This collection of articles represents some of the best work covering a wide array of topics that clarify Whedon's importance including considerations of narrative and visual techniques myth construction symbolism gender heroism and the business side of television The editors argue that Whedon's work is of both social and aesthetic significance that he creates canonical television He is a master of his artistic medium and has managed this success on broadcast networks rather than on cable From the focus on a single episode to the exploration of an entire season from the discussion of a particular narrative technique to a recounting of the history of Whedon studies this collection will both entertain and educate those exploring Whedon scholarship for the first time and those planning to teach a course on his works

Focus On: 100 Most Popular Fox Network Shows Wikipedia contributors, **Our Movie Houses** Norman O. Keim, 2008-06-09 Conventional screen histories tend to concentrate on New York City and Hollywood in chronicling the evolution of American cinema Notwithstanding both cities tremendous contribution Syracuse and Central New York also played a strategic yet little known role in early screen history In 1889 in Rochester New York George Eastman registered a patent for perforated celluloid film a development that would telescope the international race to record motion

by means of photography to the immediate future In addition the first public film projection occurred in Syracuse New York in 1896 Norman O Keim and David Marc provide a highly readable and richly detailed account of the origins of American film in Central New York the colorful history of neighborhood theaters in Syracuse and the famous film personalities who got their start in the unlikely snow belt of New York State Lavishly illustrated this book will be treasured by both film buffs and Central New Yorkers
