

What is Business English?

EnglishGrammarSoft.Com

Definition

Business English is a part of English for specific purposes and can be considered a specialty within English language, learning and teaching or an opportunity of international English.

Importance

It helps you to understand the language used by professionals such as lawyers, doctors, accountants and so on; and to communicate better with other people from different countries.

It also helps you to improve your vocabulary and grammar. It will help in making your speech more effective by using appropriate words and phrases at right time.

- You will have more opportunities to build and maintain relationships with clients, customers and colleagues.
- You will communicate effectively with people from different backgrounds and cultures.

Advantages

- You will learn how to communicate with other people at work or in the public sphere.
- You will improve your confidence and self-esteem when speaking and writing.

Principles of Effective Communication

- Clear
- Complete
- Correct
- Courteous
- Concise
- Concrete

What do you learn in Business English?

- You will be able to communicate with people from different countries.
- You will know how to read and understand financial statements, how to manage a budget and how to write reports.
- You will be able to communicate with customers and suppliers.
- You will have more control over your time by learning business English online or at seminars or workshops.

Teaching Business English

Mark Ellis, Christine Johnson

Business English Mary Ellen Guffey,Carolyn M. Seefer,2010-02-02 Dr Mary Ellen Guffey s Business English helps students become successful communicators in any business arena with its proven grammar instruction and supporting in text and online resources The perennial leader in grammar and mechanics texts the 10th edition of Business English uses a three tiered approach to break topics into manageable units letting students identify and hone the most critical skills and measure their progress along the way Packed with insights from more than thirty years of classroom experience in business communications Business English also includes access to the author s new premier website www.meguffey.com and its many resources for building language skills including all new interactive exercises How to Teach Business English Evan Frendo,2005 Written by experienced teachers and teacher trainers this series offers practical teaching ideas within a clear theoretical framework Each title includes a photocopiable Task File of training and reflection activities to reinforce theories and practical ideas presented **New Ways in Teaching Business English** Clarice Chan,Evan Frendo,2014-04-30 This volume offers more than 80 ready to use activities for the business English classroom specifically selected to represent the diversity that is driving innovation in business English teaching today The contributors come from a variety of teaching contexts around the world including tertiary education corporate language training and adult education This collection of ideas enables both experienced and novice business English practitioners to expand their repertoire of teaching strategies become aware of key trends in the field and be inspired in ways that make their teaching more creative effective and rewarding Introducing Business English Catherine Nickerson,Brigitte Planken,2015-09-16 Introducing Business English provides a comprehensive overview of this topic situating the concepts of Business English and English for Specific Business Purposes within the wider field of English for Special Purposes This book draws on contemporary teaching and research contexts to demonstrate the growing importance of English within international business communication Covering both spoken and written aspects of Business English this book examines key topics within Business English including teaching Business English as a lingua franca intercultural business interactions blended learning and web based communication discusses the latest research on each topic and possible future directions features tasks and practical examples a section on course design and further resources Written by two leading researchers and teachers Introducing Business English is a must read for advanced undergraduate and postgraduate students studying Business English Business English as a Lingua Franca

and English for Specific Business Purposes Fifty Ways to Teach Business English: Tips for ESL/EFL Teachers Marjorie Rosenberg, This handbook provides English language trainers with ideas for different situations different types of companies learners of different levels and for groups with widely varying focus points The activities have been designed to be as flexible as possible and can be adapted to cover specific areas The aim is to provide teachers not only with a handy guide of classroom tips but also a basis from which they can further develop ideas for their own classes and clients Topics include ideas for workplace vocabulary business grammar business writing charts graphs communication skills business skills using authentic materials and games and activities Both new and experienced teachers should benefit from the activities in the book and the connection to the real world of their learners Business English through Coaching and Conversation David Ostrowski, 2020-10-29 Teaching English Online Business English through Coaching and Conversation Full Ebook 195 pages Are you an existing Online English Teacher with a desire to incorporate Business English into your teaching arsenal Or perhaps you re planning to pursue Online Teaching as either a full time profession or side hustle Whichever box you fall into this Ebook could be for you As an experienced Online English Teacher with a background in HR and over 20 years of work experience I largely specialise in Business English teaching via the popular language learning platform Italki in addition to offering private lessons on my website The vast majority of my students are B1 C2 level ADULT PROFESSIONALS based in Russia and across Europe Many work in particular fields such as IT Banking and HR Students such as these may be working for an international company are relocating to an English speaking country or may simply want to focus on their interview technique The issue is however is that much of the Business English material available to teachers has a tendency to focus on overly formal language outdated situations and generalised vocabulary which may not be relevant to individual students Also professionals may be able to describe the technical intricacies of their job role but struggle when it comes to discussing behaviours 2020 has also seen a change in Business English Boardroom meetings have turned into Zoom calls Job Interviews take place over Skype and the use of informal language on modern communication platforms has become far more prominent This Ebook is split into three simple parts WHY HOW AND WHAT The Why section is aimed at teachers who may have little to no experience in teaching Business English What types of student need to improve their Business English through coaching and conversation For what reasons In what situations do students need to improve their Business English The How section describes useful teaching techniques I have used such as an adapted PPP lesson plan methods of building writing capability a behavioural interview focus and much more Classroom lessons and textbooks for advanced students are not necessarily useful Advanced students want to have a conversation build their confidence and learn new relevant vocabulary Keeping this in mind the What section consists of over 60 behavioural skills based issues based and industry specific conversational lesson plans Each lesson plan contains useful prompts for the teacher relevant phrasal verbs idioms and collocations for the student to use during a lesson in addition to pre work technical prompts for both the student and teacher

in the industry specific topics These lesson plans will last you forever You can also find examples of behavioural interview questions which are typically asked in modern times particularly around failure and reflection leadership skills and more instead of the typical What are your strengths and weaknesses questions Overall Business English students need support with confidence This can only be achieved through 1 2 1 coaching and conversation If you are an existing experienced teacher who would simply like to have some useful lesson plans to hand you can purchase the lesson plans only version from this site Happy Teaching *Teaching Business English* Mark Ellis,Christine Johnson,1994 **Teaching Business English Online** Gabriela Guzman,2019-04-15 Have you ever wanted to travel the world while working online The digital nomad revolution is here There are hundreds of online language schools hiring native English speakers to teach online If you have experience teaching adults English and some corporate world experience you too can teach Business English online With the conversation method you can teach professionals the English language around the world
