Leon,2007-11-20 This is a love story based on events that occurred in my life more than fifty years ago Some of the names have been changed and some events may have been diminished or embellished while recalling things that happened when writing the story The story is a based on recollections of actual experiences I had It is a story filled with discovery joy and the innocence of teenage years back in the fiftys It also shows how those years became the building blocks of a lifetime The motivation for writing this came from an extraordinary thing that happened to me in the Spring of 2006 that stirred my memory and caused me to recall with clarity what I had so long ago buried in my subconscious mind I met a person who became a good friend but more importantly she reawakened everything I had discovered in that one magical summer back in 1954 Looking back as an adult fifty years later made me realize that there is symmetry in life but many people never take the

time to see it This all started for me when we returned from our Winter Condo in Boca Raton Florida in April of 2006 As per my usual morning routine I continued to awaken early and go over to Starbucks to sit and have my morning cup of Decaf Americano Id sit there and read the Daily News or the New York Times and chat with some fascinating people I had met whod become friends in the several years since I retired One particular April morning I came in and they had a new person in charge of the morning shift working there From the moment I saw her I could not stop looking at her There was something instantly so familiar about her but I wasnt able to see exactly what it was initially When I made the connection with what it was it hit me like a ton of bricks After we were introduced we began chatting briefly but the more we made small talk the less I actually heard what she was saying as memories of my past flooded back All of a sudden I was fifteen years old again I knew then I had to sit down and somehow get this written I also knew I would at some point have to share this amazing story with her if or when I got to know her better It was interesting recalling my early childhood and the events that brought me to that wonderful summer of discovery and falling in love for what I believed then to be the first and last time in my life That summer held some of the keys to the person I would become as I grew up and dealt with life at all ages Piano & Keyboard, 1998 Start Without Me Gary Janetti, 2022-04-26 The New York Times Bestseller Named one of Vulture s 10 Best Comedy Books of 2022 From New York Times bestselling author and Family Guy writer Gary Janetti comes Start Without Me a collection of hilarious laugh out loud true life stories about the small moments that add up to a big life Gary Janetti is bothered By a lot of things And thank God he s here to tell us In Start Without Me Gary returns with his acid tongue firmly in cheek to the moments and times that defined him He takes us by the hand as we follow him through the summers he spends in his twenties pursuing both the perfect tan and the perfect man to no avail and much regret At his Catholic high school he strikes up an unlikely friendship with a nun who shares Gary s love of soap operas which becomes a salvation to them both And don t get him started on how a bad hotel room can ruin even the best vacation This laugh out loud collection of true life stories from the man behind his generation s greatest comedy The New York Times is for anyone who has felt the joy in holding a decade long grudge Whether you are a new convert to Janetti or one of the million who follow him on social media for a daily laugh Start Without Me will have you howling at Gary s frustrations and nodding along in agreement at the outrages of life s small slights It s the literary equivalent of a night out with your funniest friend that you wish would never end
