X-Teams, Revised and Updated Deborah Ancona,Henrik Bresman,2023-08-08 An essential work on teams now updated with new research and tools and a new preface X Teams shows how an externally focused team model is the key to fueling innovation and your organization s success You build a team around top notch talent The team members work well together they re committed to the mission and are highly motivated to perform Yet the results are disappointing You re not seeing creativity and flexibility You re not getting breakthrough ideas Good teams build camaraderie confidence in their abilities and a solid process for working together But these internal dynamics while positive in themselves can create a wall between the team and the

outside world And that wall can prevent the team from adapting to change and delivering value to the organization In this updated streamlined edition with a new preface and practical tools Deborah Ancona and Henrik Bresman describe an externally focused team model the x team that is even more relevant today than when it was first introduced With their distinctively flexible membership and leadership structure x teams continuously reach outward to fuel the innovation process With new examples and research from organizations such as Microsoft Takeda and the Museum of Modern Art Ancona and Bresman show you how to build x teams that Keep pace with shifts in markets technologies cultures and your competition Innovate by moving quickly from generating ideas to executing and diffusing them throughout your organization Employ distributed leadership to unlock crucial information expertise and new ways of working together wherever these qualities reside whether within or outside your company In an increasingly complex and ever changing world where adaptability and creativity are paramount to an enterprise s success and even its survival X Teams is your handbook for winning
