

The background of the slide is a digital illustration. At the bottom, a person in a light blue shirt and dark pants stands on a set of red stairs that lead upwards. At the top of the stairs is a large, white, three-dimensional ampersand (&) symbol. Above the ampersand, numerous brown and tan rectangular blocks are shown in various positions, appearing to be falling or having just been thrown away, symbolizing the 'tearing down of walls'. The overall color palette is dominated by warm, earthy tones like browns, oranges, and reds, with a dark, textured ground at the base of the stairs.

Tearing Down Walls And Building Up Bridges:

Tear Down These Walls John H. Armstrong, 2021-08-01 I am praying not only for these disciples but also for all who will ever believe in me through their message I pray that they will all be one just as you and I are one as you are in me Father and I am in you And may they be in us so that the world will believe you sent me John 17 20 21 NLT For most Christians these words of Jesus seem like an unreachable ideal Or they promise spiritual unity without a visible demonstration between real people Some even read these words with a sense of fear seeing this text used for a compromise agenda How should we understand this prayer offered for all who follow Jesus What if Jesus really intended for the world to believe the gospel on the basis of looking at Christians who live deep unity in a shared relationship with him What if there is way of understanding what Jesus desired so that we can begin anew to tear down the many walls of division that keep the world from seeing God's love in us Is our oneness much bigger and deeper than we could imagine John Armstrong has devoted three decades to the work of Christian unity His story and ministry have encouraged many around the world and now they are reflected in this memoir of a life devoted to unity

Out of Bondage Ysaac J. Chabo, 2024-11-19 This is the true story of a man raised in Cuba who immigrated to the United States and the trials and tribulations he faced along the way Chabo hopes his story will instill a higher appreciation for freedom and faith in his readers as they discover what he suffered and endured Knowledge ethics and the freedom of faith are some of the most precious things worth fighting for and may be the most taken for granted in today's world *Report on the Manuscripts of the Earl of Denbigh* Great Britain. Royal Commission on Historical Manuscripts, Rudolph William Basil Fielding Earl of Denbigh, Sophia Crawford Lomas, 1911 **Miscellanea: The works and letters of Dennis Granville, D.D., Dean of Durham. As I Recall Ysaac Chabo, 2008-02-01 The purpose of this book is simply to share with the readers the events some very intense that strongly impacted my life It is written directly from my memory therefore some dates might not be exact but the events are as clear in my mind as at the time of their occurrence It's a journey from oppression to freedom and a profound expression of gratitude to Spain which made the journey faster and easier by granting our visas in less than four hours and allowed us to stay in that beautiful and hospitable country for almost five months and to our adoptive motherland the United States of America for welcoming us to the land of the free and the home of the brave The very difficult situations described in this book had a positive aspect because each one of them made our character stronger and our faith firmer as a gift from God

whose power and mercy we felt every time there was a problem that we could not solve in our own It is not necessary to add anything else at this time The book presents a clear narrative of the journey where the reader may also find diversity a recently used and abused concept at work I let the reader discover the character building struggles and the spiritual growth that was directly proportional to the intensity of the hardships and overt or covert persecution As Father M rito Gonz lez said in Spain during a homily How do we know our strengths without tests and trials Let s make faith hope and love the most important pillars of life and we will find that with God we can cross raging waters walking on a bridge of rotten wood Enjoy
