You Can Overcome Brenda Lee Pruitt, 2019-04-24 You can overcome life s obstacles and hurt even when they occurred as a child or as an adult You may feel like all your life there has been hurt that you just cannot get over but with JESUS you can overcome The book of James 1 2021 states Anger does not produce the righteousness that God desires Get rid of all impurity

and every expression of wickedness and with a gentle spirit welcome the Word planted in you that can save your souls As a little girl I was mentally verbally and physically abused I wondered why I did not have any friends I became very angry about the way I was treated I cried almost every day and developed a feeling of bitterness and hatred I asked my grandmother why I don't have friends and she told me You have a friend named Jesus My grandmother taught me about Jesus as a child and how bad he was treated even as a perfect man She told me Jesus was abused in every way beaten and they crucified him for no reason If Jesus who was perfect was treated wrong you will also be treated wrong When she told me that my cries of hurt became laughter We can be of help to one another by showing love When others do or say things to hurt others it's because they are hurting themselves First Corinthians 4:8-9 tells us we are pressed on every side but not crushed perplexed but not in despair persecuted but not abandoned struck down but not destroyed We must forgive so Jesus can forgive us We must pray for each other even those who do wrong toward us The Lord says No weapon formed against us shall prosper We are more than conquerors through Christ Jesus You have the victory You can overcome

International the women construct notions of racial sexual and emotional belonging by forming relationships with Jamaican men and other girlfriends These relationships allow the women to exercise agency and find happiness in ways that resist the damaging intersections of racism and patriarchy in the United States However while the women require a spiritual and virtual connection to Jamaica in order to live happily in the United States their notion of happiness relies on travel which requires leveraging their national privilege as American citizens Williams s theorization of emotional transnationalism and the construction of affect across diasporic distance attends to the connections between race gender and affect while highlighting how affective relationships mark nationalized and gendered power differentials within the African diaspora
