Technion The Story Of Israels Institute Of Technology:

Technion Carl Alpert, American Society for Technion, Israel Institute of Technology, Tekhniyyon-Makhon tekhnologi le-Yisrael, **History of Higher Education Annual** Roger Geiger, 1991-01-01 *Boycott Theory and the Struggle for Palestine* Nick Riemer, 2022-12-13 The academic boycott of Israel a branch of the pro Palestinian Boycott Divestment and Sanctions BDS campaign is one of the richest and most divisive topics in the politics of knowledge today In *Boycott Theory and the Struggle for Palestine* Nick Riemer addresses the most fundamental questions raised by the call to sever ties with Israeli universities and offers fresh arguments for doing so More than a narrow study of the boycott campaign the book details how academic BDS relates to a range of live controversies in progressive politics on questions such as disruptive protest silencing and free speech the real world consequences of intellectual work the rise of the far right and the nature of grassroots campaigning Written for open minded readers the book presents the fullest justification for the academic boycott yet given considering BDS efforts on campuses around the world The opening chapters explore the fundamentals of the academic boycott campaign detailing the conditions on the ground in Palestinian and Israeli higher education and analyzing debates over the boycott and its adoption or resistance in the west The later chapters contextualize the boycott with respect to broader questions about the links between theory and practice in political change Directly rebutting the arguments of BDS s opponents *Boycott Theory and the Struggle for Palestine* demonstrates the political and intellectual soundness of a controversial and often misrepresented campaign In defending an original view of the differences between reflecting on politics and doing it in the specific context of the liberation of Palestine the book s arguments will have a resonance for many wider debates beyond the context of either universities or the Middle East **Arieh Sharon and Modern Architecture in Israel** Eran Neuman, 2023-11-30 *Arieh Sharon and Modern Architecture in Israel Building Social Pragmatism* offers the first comprehensive survey of the work of Arieh Sharon and analyzes and discusses his designs and plans in relation to the emergence of the State of Israel A graduate of the Bauhaus Sharon worked for a few years at the office of Hannes Mayer before returning to Mandatory Palestine There he established his office which was occupied in its first years in planning kibbutzim and residential buildings in Tel Aviv After the establishment of the State of Israel in 1948 Arieh Sharon became the director and chief architect of the National Planning Department where he was asked to devise the young country s first national masterplan Known as the Sharon Plan it was instrumental in shaping the development of the new nation During the 1950s and 1960s Sharon designed many of Israel s institutions including hospitals and buildings on university campuses This book presents Sharon s exceptionally wide range of work and examines his perception of architecture in both socialist and pragmatist terms It also explores Sharon s modernist approach to architecture and his subsequent shift to Brutalist architecture when he partnered with Benjamin Idelson in the 1950s and when his son Eldar Sharon joined the office in 1964 Thus the book contributes a missing chapter in the historiography of Israeli architecture in particular and of modern

architecture overall This book will be of interest to researchers in architecture modern architecture Israel studies Middle Eastern studies and migration of knowledge The History of Architectural Education in the Middle East and North Africa Farhan Karim,Mohammad Gharipour,2024-12-31 The History of Architectural Education in the Middle East and North Africa explores the varied socio political landscapes within which different architectural programs and schools were established across Middle Eastern and North African countries It addresses a significant gap in our understanding of the diverse strategies and paths through which architectural pedagogy underwent institutionalization and standardization during nineteenth and twentieth centuries This process of modernization was greatly influenced by rapidly evolving socio economic conditions and the interests of the real estate market Concurrently architectural educators and institutions responded to public demands for more inclusive urban environments shaping the social ambitions and expectations of emerging modern cities Karim and Gharipour present an interconnected and parallel history of these institutions through a series of case studies They argue that architectural pedagogy and its stakeholders didn t solely shape the technical discourse of the building industry Instead their activism and advocacy collectively ignited epistemological debates concerning the perception of modern urban society and its direction *International Dictionary of University Histories* Mary Elizabeth Devine,Carol Summerfield,2013-12-02 Modeled on Fitzroy Dearborn s highly successful International Dictionary of Historic Places the International Dictionary of University Histories provides basic information on 200 institutions location description sources of further information followed by an extensive 3000 to 5000 word essay on each university s history Entries on each university conclude with a Further Reading list and most entries are illustrated Coverage is world wide and entries range from the great medieval institutions Oxford Heidelberg the Sorbonne to the great historic universities of the United States to the newer universities of Australia and South Africa to the lesser known universities of India China and Japan More than 200 writers researchers and archival departments of the universities themselves have contributed to the Dictionary Entries include those universities with the most fascinating histories and those that have played important roles in the development of their own countries and in the furtherance of world scholarship *Encyclopedia of Judaism* Sara E. Karesh,Mitchell M. Hurvitz,2005 An illustrated A to Z reference containing over 800 entries providing information on the theology people historical events institutions and movements related to the religion of Judaism **Computers and the History of Art** Sunderland,John Sunderland,1994 First Published in 1994 Routledge is an imprint of Taylor Francis an informa company

The History of Israel Arnold Blumberg,1998-08-27 Every school and public library should update its resources on the history of Israel with this engagingly written and succinct narrative history from biblical times through 1997 This readable history based on the most recent scholarship provides a chronological narrative that examines the political religious and social components of Israel s turbulent history A thorough examination of the events from the Six Day War of 1967 through the struggle for peace in 1997 is of special interest The work provides a timeline of events in the history of Israel

biographical sketches of key figures in Israeli history and an annotated bibliography of books of interest to students and general readers The prologue gives an overview of the land its government resources and culture The first few chapters describe the earliest history of the land through the 19th century settlement of European Jews seeking to escape persecution and to build a Jewish state Following the Holocaust refugees poured into the region and political and military struggle culminated in the birth of the State of Israel in 1948 Blumberg an expert on the history of Israel then details the years of growth and successive wars with Israel s Arab neighbors from 1948 through 1973 In an extended discussion he examines the political turbulence within Israel from the late 1970s through 1997 Israel s relations with its neighbors and the international community and the progress and setbacks in the struggle for peace between Israel and the Arabs **Judah L. Magnes**

Daniel P. Kotzin, 2010-08-17 Judah L Magnes 1877 1948 was an American Reform rabbi Jewish community leader and active pacifist during World War I In the 1920s he moved to British Mandatory Palestine where he helped found and served as first chancellor of the Hebrew University of Jerusalem Later in the 1930s and 1940s he emerged as the leading advocate for the binational plan for Palestine In these varied roles he actively participated in the major transformations in American Jewish life and the Zionist movement during the first half of the twentieth century Kotzin tells the story of how Magnes immersed in American Jewish life Zionism and Jewish life in Mandatory Palestine rebelled against the dominant strains of all three His tireless efforts ensured that Jewish public life was vibrant and diverse and not controlled by any one faction within Jewry Magnes brought American ideals to Palestine and his unique conception of Zionism shaped Jewish public life in Palestine influencing both the development of the Hebrew University and Zionist policy toward Arabs
