The Happen Stance Horizons:

Upon the Horizon Jeanne Kay, 2025-04-14 Take a stroll through the pages of enchanting poetry art and photography as it attempts to capture just a glimpse of the magnitude of our world and the choices and possibilities arriving with each new horizon Reflect on the beauty structure geometry interdependence and oneness of nature Life presents challenges problems joys sorrows relationships and friendships as we struggle with trust hope and faith Be aware of glorious and gray horizons all around us whether seen or unseen from our vantage point Each ending brings a new beginning as dawn arises with the sun Each sunset gives way to a night sky We gaze at the stars constellations and the Milky Way and wonder what mysteries may abound in the vast universe beyond We observe our youth fading as we grow older and contemplate the meaning of life aware of our own mortality on our earth home When the final sunset of our life comes go with hope trust and faith Upon the next horizon awaken like a butterfly to a new dawn beyond our present imagination **iKṛṣṇa** Anand Kadakol, 2019-08-05

Suddenly the attack came close to us not yet directly upon us but very close we had to increase the intensity and we did I was in sublime touch shooting off arrow after arrow The targets were drifting across my vision and all it took was one aim and release the arrows shot off with a swish only to hit the target where I intended it and killed the recipient of the shot A few left handed shots depending on the angle of the shot where I could find the target best positioned for the shot others right handed The bow was drifting from one hand to the other flawlessly and the arrows were flowing out like spit from a cobra s mouth both accurate and deadly Before we realised there were hardly any leaders standing By the time Jarasandha recovered his leaders and his entire army had perished Jarasandha gave a loud shout and invited us to come out in the open and fight like real warriors By this time Balarama also came into the battlefield Jarasandha did not turn back and run he was livid and angry he started challenging us to come down and fight like real warriors Rama and I descended into battleground Jarasandha was aghast to see Kids trying to defeat him Jarasandha invited us for a duel He said two versus one couldn t be fair in a war Balarama moved ahead and chose mace as his weapon He was adept at mace and Jarasandha was no less a mace warrior The fight that took place was of a quality that I wouldn t witness for a long time to come Jarasandha was more than accomplished While Jarasandha unleashed himself upon Balarama with full force and vigour Balarama was deftly defending himself Mace was flying into Rama from all directions Balarama was saving his energy for the future if he could wear Jarasandha down he could then unleash himself upon him Balarama was not through and through defensive There would be moments when he surprised Jarasandha by his speed and power Rama s mace would start banging into Jarasandha with immense strength and speed Before Jarasandha would recover from one bout of attack the second one would begin in a different style of attack The lesson and practice with our Guru was paying results I could see that in this bout Jarasandha couldn t fathom the skill level of Rama He had thought it would be child s play and he would crush Rama in no time and head for me But this challenge was more than what he had imagined The fact that his theory proved wrong gave him the mental

agony which the real fight had not given That agony was showing in his inconsistent fighting method He would burst at Rama Rama would easily read the move and defend himself that would frustrate Jarasandha he would change his move which Rama easily anticipated and countered Jarasandha would get more frustrated and soon he lost his mace to a vicious shot by Rama Now it was Rama with his mace facing an unarmed Jarasandha Rama shouted at me and said he wanted to finish this fight right away and lifted his mace to hit Jarasandha I stopped Rama it s unfair to kill someone who is unarmed on a battlefield I said another day would come and he had to let him go with honour Latin American Horizons Don Stephen Rice,1993
