Kemp, 1935 **Rituals of Healing** Jeanne Achterberg, Barbara Dossey, 1994-04-01 A practical guide to using the powers of the mind and the imagination to form rituals that can help the body restore and maintain health Winner of the American Journal of Nursing Book of the Year Award As the success of Bill Moyers's bestselling *Healing and the Mind* shows the mind-body connection is widely and enthusiastically accepted *Rituals of Healing* uses the mind-body connection to develop remarkable techniques for healing which it presents with the inspiring stories of patients who have used them successfully Designed to complement and enhance a physician's care and established medical treatment the rituals in this book can be customized for maximum benefit for any individual Filled with specific exercises visualization scripts and insightful case histories *Rituals of Healing* provides caring attentive guidance through each step of the healing journey

Healing Ritual; Studies in the Technique and Tradition of the Southern Slavs, by P. Kemp. Published in Conjunction with the School of Slavonic and East European Studies, University of London P. Kemp, University of London. School of Slavonic and East European Studies, 1965 **The Healing Wisdom of Africa** Malidoma Patrice Somé, 1999-09-13 A revealing exploration of traditional healing practices by a renowned shaman and scholar Bridging ancestral wisdom from West Africa with the challenges of modern life in the West this acclaimed book offers a wealth of insights into indigenous knowledge and how it speaks to the chronic problems of our fast-paced disconnected world Drawing on his lived experience within the Dagbara culture as well as his extensive studies and teachings Malidoma Somé's observations on healing community and ritual present powerful ways to become more connected to the natural world to the intergenerational village that can mentor and support every person and ultimately to the truest unmasked parts of ourselves Profoundly wise and fascinating Malidoma Patrice Somé has delivered an incomparably meaningful gift to us wanderers and seekers in the West Alice Walker An amazing bridge over the chasm of modern isolation Malidoma reawakens the rituals of the heart This is profound brilliant and accessible medicine for us Jack Kornfield

Ritual Healing in the Zion Christian Church in South Africa Mookgo Solomon Kgatle, 2025-10-16 This book signifies a distinct separation of the ritual healing process in the Zion Christian Church from traditional African medicine while also attempting to synthesize contemporary medical approaches with indigenous knowledge systems The Zion Christian Church is recognized for its distinctive amalgamation of religious activities which include faith healing prophecy and significant pilgrimages particularly the Easter pilgrimage to Morija Despite the church's emphasis on the Christian identity within its faith healing practices some observers interpret various rituals and beliefs as syncretic Consequently these readings have led to allegations that the church integrates aspects of African traditional medicine and witchcraft into its rituals This book utilizes the church as a case study to examine healing faith practices and rituals thereof within the larger framework and context of African Independent Churches This theology is used to help place the faith of patients and the importance of God's role as healer ahead of the healing rituals Its unique theme-driven

interconnected chapters contain discussions around various practices encompassing purification and protection rituals as well as therapeutic worship. Consequently, scholars in religious studies, theology, anthropology, and history will find this book an important resource in understanding the role of healing rituals among African Independent Churches. [The Dance of Rituals](#) Buddhism and the Connection with the Divine Buddhist Rituals is a mysterious invitation to explore the secrets of the spirit. It is not merely about repeated gestures or ancient traditions but about secret doors that once opened reveal a dimension where the sacred and the everyday dance in eternal communion. Each ritual described is not just an act but a path to awakening what is most authentic and dormant in the human soul. As you delve into the practices unveiled here, you are not just reading about Buddhism; you are called to feel the echo of ancient chants, to visualize offerings dissipating as symbols of detachment, and to touch the invisible that inhabits each breath. The descriptions evoke rituals where the toll of a bell can resonate through time and the aroma of incense not only perfumes the air but transforms the surrounding energy, dissolving the veil between the material and the immaterial. The Theravada, Mahayana, and Vajrayana traditions emerge from the pages like trails winding up the mountain of the spirit, each offering unique ways to reach the essential and the eternal. The practice is presented not as an end in itself but as a map of forgotten paths leading the practitioner to break free from illusions and glimpse the essence of all things. In this work, rituals are instruments to transcend the ordinary, capable of awakening an ancient echo in the reader's heart, reminding them that the search for meaning is not distant but latent in the present moment.

[Buddhist Rituals](#) is not just a book; it is a key for those who dare to explore the unknown and align themselves with the mysteries that permeate life. *The Healing Power of Ancient Navajo Wisdom* Pasquale De Marco, 2025-04-22

The Palgrave Handbook of Anthropological Ritual Studies Pamela J. Stewart,Andrew J. Strathern,2021-08-24 Ritual Studies have achieved prominence since the 1980s when interest in ritual as an object of inquiry was established bridging over a number of humanities and social science disciplines Both connected with religious studies and independent of it overlapping with social and cultural anthropology but also with history related to science and health practices and ranging across the life course to education Ritual Studies has come to encompass studies of change and dynamism in social life Rituals are determinate in form but not static They enunciate distinctive social values within specific contexts that frame them and they relate to the wider concerns and issues of their practitioners Due to this broad and wide ranging scope it is often difficult to find a single resource on Ritual Studies and even more so to find one which moves beyond the beginnings of anthropological theorizing to grapple with the present day contexts of ritual Bringing together recent ethnographies of ritual practice and ritualization from across the globe this Handbook provides case study of ritual in the light of Emotion and Cognition Identity Religious Power Performance and Literature Ecology and Ecological Disaster Media and other topics While each chapter

provides a deep ethnography of a specific society ritual or ritualized practice each also engages with current theoretical and substantive approaches to the relevant topic The scholars collected here provide original synoptic and indicative pieces as guideposts and pathways through the complex varied and cross disciplinary and vast landscape of scholarship that constitutes Ritual Studies today and points to developments in the future
