eternally ajar but the selfish cannot find them they mourn yet see not they cry but hear not Only to those who turn their eyes to heavenly things their cars to heavenly sounds are the happy Portals of the Kingdom revealed and they enter and are glad 5 THE righteous man is invincible No enemy can possibly overcome or confound him and he needs no other protection than that of his own integrity and holiness Scroll Up and Grab Your Copy Other James Allen s Paperbacks 1 The Mastery of Destinyhttps www createspace com 6377525 2 The Life Triumphant Mastering the Heart Mindhttps www createspace com 6377813 3 The Way of Peacehttps www createspace com 6384388 **The Heavenly Life (Classic Reprint)** Associate Professor of Philosophy James Allen,James Allen,2015-07-01 Excerpt from The Heavenly Life The secret of life of abundant life with its strength its felicity and its unbroken peace is to find the Divine Centre within oneself and to live in and from that instead of in that outer circumference of disturbances the clamors cravings and argumentations which make up the animal and intellectual man These selfish elements constitute the mere husks of life and must be thrown away by him who would penetrate to the Central Heart of things to Life itself Not to know that within you that is change less and defiant of time and death is not to know anything but is to play vainly with unsubstantial reflections in the Mirror of Time About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www forgottenbooks com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
