K. Alexander, 2019-11-27 With facts and information insightful commentary and even a few flights of fantasy The Story Behind the Bible trilogy weaves a magnetic journey through the ancient texts of the Bible for believers and non believers alike It s a journey that can draw readers into a universe that is larger and more incredible than they ever thought possible A highly comprehensive overview of the entire Bible the trilogy also proves that the prophets of scripture made impossible and miraculous predictions and prophecies concerning future events including our current era and virtually proves that God s hand steers the broad stream of world history Now over two thousand years hence much of scripture has been misinterpreted misapplied or simply lost to traditions and folklore The books address those issues with commentary and

doctrine and through the elegant story and amazing people of the New Testament bring the biblical story to a triumphant end

Daughters in the Hebrew Bible Kimberly D. Russaw, 2018-03-15 While the expectations and circumstances of women's lives in ancient Israel have received considerable attention in recent scholarship to date little attention has been focused on the role of daughters in Hebrew narrative that is of yet unmarried female members of the household who are not yet mothers Kimberly D Russaw argues that daughters are more than foils for the males fathers brothers etc in biblical narratives and that they often use particular tactics to navigate antagonistic systems of power in their worlds Institutions and power structures favor the patriarch sons inherit such privileges and benefits and wives and mothers are ascribed special status because they ensure the patrilineal legacy by birthing sons but daughters do not receive such social favor or standing Instead of privileging daughters systems and institutions control their bodies restrict their access and constrict their movement Combining philological data social science models and cross cultural comparisons Russaw examines the systems that constrict biblical daughters in their worlds and the strategies they employ when hostile social forces threaten their well being
