The Hanoi Commitment:

The Hanoi Commitment James Alfred Mulligan, 1981

Honor Bound Stuart I. Rochester, Frederick T. Kiley, 1998

Honor Bound is the result of a fruitful collaboration between Stuart I Rochester and Frederick Kiley. In examining the lives of the prisoners in captivity it presents a vivid sensitive sometimes excruciating account of how men sought to cope with the physical and psychological torment of imprisonment under wretched and shameful conditions. It includes insightful analyses of the circumstances and conditions of captivity and its varying effects on the prisoners, the strategies and tactics of captors and captives, the differences between captivity in North and South Vietnam and between Laos and Vietnam, and analysis of the quality of the source materials for this and other works on the subject. Conflicts Between United States Capabilities and Foreign Commitments United States. Congress. Senate. Committee on Foreign Relations, 1967

Voices of the Vietnam POWs Craig Howes, 1993-09-30. Unsure whether they would be greeted as traitors or heroes, POWs returning from Vietnam responded by holding tight to their chosen motto: Return with Honor. We're giving the American people what they want and badly need: heroes. Said a Vietnam jungle POW, I feel it's our responsibility, our duty to help them where possible. He shed the idea this war was a waste, useless as unpopular as it may have been. In the first book to explore the entire range of memoirs, biographies, and group histories published since America's Vietnam POWs returned home, Craig Howes explores the development of a collective history. He describes how these captives drew upon their national heritage to compose a unified common story while still in prison and how individual POWs have responded to this Official Story. Examining what racial, cultural, and political assumptions support this shared Official Story, Howes places the POWs' experiences squarely in the center of American history and within those larger clashes of opinion and belief which characterized the nation's response to the Vietnam War. The result is an engrossing study of what these captivity narratives can tell us about the POWs, their captors, and America's Vietnam legacy. *Conflicts Between United States Capabilities and Foreign Commitments, Hearing ... 90-1, February 21, 1967* United States. Congress. Senate. Foreign Relations, 1967

A 'special relationship'? Jonathan Colman, 2018-07-30. This book is based mainly on government sources: namely material from the White House, State Department, Foreign Office (FO), Foreign and Commonwealth Office (FCO), Prime Minister's Office (PREM), and Cabinet (CAB). Private papers consulted include those of Harold Wilson, Foreign Secretary George Brown, and Undersecretary of State George Ball. The book explores a period of the Wilson-Johnson relationship. It considers the seven weeks from Wilson's election until he went to see Lyndon B. Johnson on 7-9 December, a formative period in which Britain cultivated American financial support and which saw pre-summit diplomacy over the NATO Multilateral Force (MLF). The book covers the summit in detail, examining the diplomatic exchanges over the Vietnam War, the British commitment East of Suez, and the MLF, as well as the interplay of personality between Wilson and Johnson. By exploring the relationship of the two leaders in the years 1964-1968, it seeks to examine their respective attitudes to the Anglo-American relationship. The book then assesses the

significance of an alleged Anglo American strategic economic deal Wilson s Commonwealth Peace Mission to Vietnam and another Wilson visit to Washington It also considers why the personal relationship between Johnson and Wilson suffered such strain when the Labour government dissociated the UK from the latest American measures in Vietnam Next the book addresses the period from August 1966 September 1967 during which Wilson launched an intense but abortive effort to initiate peace negotiations over Vietnam and London announced plans to withdraw from military bases East of Suez An electronic edition of this book is freely available under a Creative Commons CC BY NC ND licence Captured: An American Prisoner of War in North Vietnam (Scholastic Focus) Alvin Townley,2019-03-26 Alvin Townley a critically acclaimed author of adult nonfiction delivers a searing YA debut about American POWs during the Vietnam War Naval aviator Jeremiah Denton was shot down and captured in North Vietnam in 1965 As a POW Jerry Denton led a group of fellow American prisoners in withstanding gruesome conditions behind enemy lines They developed a system of secret codes and covert communications to keep up their spirits Later he would endure torture and long periods of solitary confinement Always Jerry told his fellow POWs that they would one day return home together Although Jerry spent seven and a half years as a POW he did finally return home in 1973 after the longest and harshest deployment in US history Denton s story is an extraordinary narrative of human resilience and endurance Townley grapples with themes of perseverance leadership and duty while also deftly portraying the deeply complicated realities of the Vietnam War in this gripping narrative project for YA readers

Special Bibliography Series United States Air Force Academy. Library,1990 *Hanoi's Road to the Vietnam War, 1954-1965* Pierre Asselin,2015-08-18 Using new and largely inaccessible Vietnamese sources as well as French British Canadian and American archives Pierre Asselin sheds valuable light on Hanoi s path to war Step by step the narrative makes Hanoi s revolutionary strategy from the end of the French Indochina War to the start of the Anti American Resistance Struggle for Reunification and National Salvation the Vietnam War transparent The book reveals how North Vietnamese leaders moved from a cautious policy emphasizing nonviolent political and diplomatic struggle to a far riskier pursuit of military victory 1979, Tragedy in Indochina United States.
