The Hero Bloomfield:

Refiguring the Hero Dian Fox, 2010-11-01 *Virtues and Passions in Literature* Anna-Teresa Tymieniecka, 2007-11-10
The Human Condition prompts our creative strivings beyond the natural round of life toward outstanding achievements This book explains how the emergence of Human Condition lifts natural endowment of the individual to the level of excellence It shows how natural forces and promptings of life transmute through creative Human Condition subliminal passions of the soul into innumerable streaks of spiritual significance **Early Yiddish Epic** Jerold C. Frakes, 2014-07-07 Unlike most other ancient European Near Eastern and Mediterranean civilizations Jewish culture surprisingly developed no early epic tradition while the Bible comprises a broad range of literary genres epic is not among them Not until the late medieval period Beginning in the fourteenth century did an extensive and thriving epic tradition emerge in Yiddish Among the few dozen extant early epics there are several masterpieces of which ten are translated into English in this volume Divided between the religious and the secular the book includes eight epics presented in their entirety an illustrative excerpt from another epic and a brief heroic prose tale These texts have been chosen as the best and the most interesting representatives of the genre in terms of cultural history and literary quality the pious epicizing of biblical narrative the swashbuckling medieval courtly epic Arthurian romance heroic vignettes intellectual high art and popular camp **The Marvellous Mania** Alistair Cooke, 2008-10-02 Although Alistair Cooke called golf a method of self torture disguised as a game from the first time he swung a club at the age of fifty five he was hooked for the rest of his life This book brings together the best of Cooke s writings about his greatest sporting passion which display the incomparable wit the unexpected insights the mischievous charm the elegance and enchantment which made him famous for over sixty years as a broadcaster Whether he is writing about the pleasures of a bout in the snow how the senior golfer secretly disguises their ageing swing Arnold Palmer playing in 102 degree heat in San Antonio dapper Gary Player winning the U S Open at Creve Coeur Missouri or Jack Nicklaus playing and winning almost anywhere not to mention a surprising and persistent tendresse for Raquel Welch Alistair Cooke on his favourite sport is a rare and constant pleasure *Myths, Legends, and Heroes* John McKinnell, 2011-01-01 In *Myths Legends and Heroes* editor Daniel Anzelark has brought together scholars of Old Norse Icelandic and Old English literature to explore the translation and transmission of Norse myth the use of literature in society and authorial self reflection the place of myth in the expression of family relationships and recurrent motifs in Northern literature The essays in *Myths Legends and Heroes* include an examination of the theme of sibling rivalry an analysis of Christ s unusual ride into hell as found in both Old Norse and Old English a discussion of Beowulf s swimming prowess and an analysis of the poetry in Snorri Sturluson s Edda A tribute to Durham University professor John McKinnell s distinguished contributions to the field this volume offers new insights in light of linguistic and archaeological evidence and a broad range of study with regard to both chronology and methodology *Pradyumna* Christopher R.
