The Dream Songs John Berryman, 2014-10-21 The complete Dream Songs hypnotic

seductive masterful as thrilling to read now as they ever were John Berryman's *The Dream Songs* are perhaps the funniest saddest most intricately wrought cycle of oems by an American in the twentieth century They are also more simply the vibrantly sketched adventures of a uniquely American antihero named Henry Henry falls in and out of love and is in and out of the hospital he sings of joy and desire and of beings at odds with the world He is lustful he is depressed And while Henry is breaking down and cracking up and patching himself together again Berryman is doing the same thing to the English language crafting electric verses that defy grammar but resound with an intuitive truth if he had a hundred years Henry despairs in Dream Song 29 more weeping sleepless in all them time Henry could not make good This volume collects both 77 Dream Songs which won Berryman the Pulitzer Prize in 1965 and their continuation *His Toy His Dream His Rest* which was awarded the National Book Award and the Bollingen Prize in 1969 The Dream Songs are witty and wild an account of madness shot through with searing insight winking word play and moments of pure soaring elation This is a brilliantly sustained and profoundly moving performance that has not yet and may never be equaled *Making Love Modern* Nina Miller, 1999-01-21 In the teens and twenties New York was home to a rich variety of literary subcultures Within these intermingled worlds gender lines and other boundaries were crossed in ways hardly imaginable in previous decades Among the bohemians of Greenwich Village the sophisticates of the Algonquin Round Table and the literati of the Harlem Renaissance certain women found fresh powerful voices through which to speak and write Edna St Vincent Millay and Dorothy Parker are now best remembered for their colorful lives Genevieve Taggard Gwendolyn Bennett and Helene Johnson are hardly remembered at all Yet each made a serious literary contribution to the meaning of modern femininity relationship and selfhood *Making Love Modern* uncovers the deep historical sensitivity and interest of these women's love poetry Placing their work in the context of subcultures nested within national culture Nina Miller explores the tensions that make this literature so rewarding for contemporary readers A poetry of intimate expression it also functioned powerfully as public assertion The writers themselves were high profile embodiments of femininity the local representatives of New Womanhood within their male centered subcultural worlds *Making Love Modern* captures the literary lives of these women as well as the complex subcultures they inhabited Harlem the Village and glamorous Midtown In the end the book is a much a study of modernist New York as of women's love poetry during modernism *"After thirty Falls"*, 2015-07-14 Prefaced by an account of the early days of Berryman studies by bibliographer and scholar Richard J Kelly *After thirty Falls* is the first collection of essays to be published on the American poet John Berryman 1914-1972 in over a decade The book seeks to provoke new interest in this important figure with a group of original essays and appraisals by scholars from Ireland the United Kingdom Hong Kong and the United States Exploring such areas as the poet's engagements with Shakespeare and the American sonnet tradition his use of the Trickster figure and the idea of performance in his poetics it expands the interpretive framework by which Berryman may be evaluated and studied and it will be of interest to students of modern American poetry

at all levels What makes the collection particularly valuable is its inclusion of previously unpublished material including a translation of a poem by Catullus and excerpts from the poet's detailed notes on the life of Christ thereby providing new contexts for future assessments of Berryman's contribution to the development of poetry poetics and the relationship between scholarship and other forms of writing in the twentieth century **The American Journal of Psychology** Karl M.
