The Publishers Weekly ,2005 *The Man from Krypton* Glenn Yeffeth,2015-01-06 Leading writers discuss debate and celebrate the legend of Superman in this anthology contending that his legend is a truly American myth Superman was an immigrant with little more than the clothes on his back and raised by simple farmers absorbing their humble values He always chose to do the right thing fighting for truth justice and the American way and represents America at its best The in depth analyses of the comics films and cartoons are at turns funny philosophical insightful and personal exploring every aspect of the Superman legend

The Mammoth Book of Superstition Roy Bainton,2016-11-10 Rather than providing a dictionary of superstitions of which there are already numerous excellent exhaustive and in many cases academic works which list superstitions from A to Z Bainton gives us an entertaining flight over the terrain landing from time to time in more thought provoking areas He offers an overview of humanity s often illogical and irrational persistence in seeking good luck and avoiding misfortune While Steve Roud s two excellent books The Penguin Dictionary of Superstitions and his Pocket Guide and Philippa Waring s 1970 Dictionary concentrate on the British Isles Bainton casts his net much wider There are

many origins which warrant the full back story such as Friday the thirteenth and the Knights Templar or the demonisation of the domestic cat resulting in cat holocausts throughout Europe led by the Popes and the Inquisition The whole is presented as a comprehensive entertaining narrative flow though it is of course a book that could be dipped into and includes a thorough bibliography Schoenberg who developed the twelve tone technique in music was a notorious triskaidekaphobe When the title of his opera Moses und Aaron resulted in a title with thirteen letters he renamed it Moses und Aron He believed he would die in his seventy sixth year 7 6 13 and he was correct he also died on Friday the thirteenth at thirteen minutes before midnight As Sigmund Freud wrote Superstition is in large part the expectation of trouble and a person who has harboured frequent evil wishes against others but has been brought up to be good and has therefore repressed such wishes into the unconscious will be especially ready to expect punishment for his unconscious wickedness in the form of trouble threatening him from without
