Smart Moves for Liberal Arts Grads Sheila Curran, Suzanne Greenwald, 2012-06-20

Most people would love to have 20/20 hindsight on their careers. In Smart Moves for Liberal Arts Grads, college career experts Sheila Curran and Suzanne Greenwald have assembled the next best thing: the collective wisdom of a diverse and inspiring cast of success stories—twenty-three liberal arts graduates who have gone on to all manner of fascinating and satisfying professions. The authors have combined lessons from the stories with their own hands-on experience with thousands of students and graduates to outline a framework for finding a perfect career. What makes Smart Moves different is that it provides essential career advice while being fun to read. Readers will be struck by the frankness of the biographies of real graduates whose careers have taken twists and turns. Todd turned his passion into a living as the founder and CEO of several small businesses and a professional cellist. What binds them together is that they have all made smart moves on the way to career success, both during their liberal arts education and in the real world. Smart Moves not only champions the value of a liberal arts education, it also embraces the complexity of careers and the notion that many different factors contribute to success: education, experience, attitude, personal characteristics, and a good dose of luck. Smart Moves is an inspiration to all those who are seeking proven strategies to follow their passion, no matter what their age. The quarter million liberal arts
