nature of women's work influenced courtship marriage and relations between the sexes Among the topics discussed are the importance of the women's contribution to setting up and maintaining a household labouring women's attitudes to marriage and divorce and the customary alternatives to them and the role of spinsters and widows The author concludes by asking to what extent the industrial revolution improved the overall position of women and the opportunities open to them This series aims to re-establish women's history and to challenge the assumptions of much mainstream history Focusing on the modern period and encouraging perspectives from other disciplines it seeks to concentrate upon areas of focal importance in the history of Britain and continental Europe Bridget Hill is the author of *Eighteenth Century Women An Anthology* and *The First English Feminist* *Select British Classics*, 1803 *Connoisseur* Lionel Thomas Berger, 1823 **Lean's Collectanea** Vincent Stuckey Lean, 1902 *Lexicon Balatronicum* Francis Grose, 1811 **A Dictionary of Buckish Slang, University Wit and Pickpocket Eloquence** Francis Grose, 1811 **The Dictionary of the Vulgar Tongue** Francis Grose, 2014-04-01 Do you know your abess from your elbowshaker Originally printed as a guide to street slang for men of quality this reference guide will enrich your vocabulary with vulgar witticisms fashionable more than 200 years ago The avowed purpose of this dictionary was to give men of fashion an insight into the inappropriate language of the street Read in modern times it is by turn uproariously funny and deeply confusing and yet certain truths have remained the need for the mot juste has not diminished Many of the words should be brought back into common parlance forthwith we have no term for the admiral of the narrow seas one who from drunkenness vomits into the lap of the person sitting opposite to him We have perhaps less use for a word for dobin rig or Stealing ribbons from haberdashers early in the morning or late at night generally practised by women in the disguise of maid servants Learn how the Georgians and early Victorians would insult each other and find out how some of today's words and derivations have come about in this quirky little volume *Lexicon Balatronicum.
