Songs For A Soviet Composer:

Songs for a Soviet Composer Kelly Cherry,1980 *Soviet Composers and the Development of Soviet Music* Stanley Dale Krebs,2024-11-26 *Soviet Composers and the Development of Soviet Music* 1970 is a thought provoking review of Soviet music and musicians The lives and works of some two dozen major Soviet composers are discussed and insight is provided into Soviet thinking about music and thinking about the arts **Realist Music** Rena Moisenko,1949 **Soviet Composers and the Development of Soviet Music** Stanley Dale Krebs,2024-11-26 *Soviet Composers and the Development of Soviet Music* 1970 is a thought provoking review of Soviet music and musicians This scholarly and readable distillation of factual information and well reasoned conclusions is the result of many years of exhaustive study of reference works monographs and journals as well as musical scores both published and unpublished all supplemented by interviews and personal participation in Soviet musical life The author presents a cogent critical analysis of the relationship between extra musical pressures and the theory and practice of artistic autonomy The lives and works of some two dozen major Soviet composers are discussed and insight is provided into Soviet thinking about music and thinking about the arts **Nicolas Slonimsky:**

Russian and Soviet music and composers Nicolas Slonimsky,2004 First Published in 2004 Routledge is an imprint of Taylor Francis an informa company **The Power of Song** Guntis Šmidchens,2014-01-01 *The Power of Song* shows how the people of Estonia Latvia and Lithuania confronted a military superpower and achieved independence in the Baltic Singing Revolution When attacked by Soviet soldiers in public displays of violent force singing Balts maintained faith in nonviolent political action More than 110 choral rock and folk songs are translated and interpreted in poetic cultural and historical context Watch the trailer <http://www.youtube.com/watch?v=Gh7vFFjK0rc> **Music Under the Soviets** Andrey

Olkhovsky,2024-11-26 *Music Under the Soviets* 1955 examines the concept of Soviet music its special characteristics and its differences from the musical tradition of the West As the musical practice under the Soviet totalitarian dictatorship it should be viewed as the musical policy of that regime a policy which aims at the reconstruction of not only the historically developed musical forms but the essence of music itself as artistic creation It was during the years of Stalin that Soviet music acquired its peculiar features developed its most characteristic distinguishing marks and determined the paths of its evolution

Information Bulletin ,1946 *USSR Information Bulletin* ,1952 *Eight Soviet Composers* Gerald Abraham,1943 The author takes eight leading composers of the Soviet Union Shostakovich Prokofiev Khachaturyan Knipper Shebalin Shaporin Kabalevsky and Dzerzhinsky and describes their artistic careers mainly from a purely musical standpoint though at the same time showing how in some cases above all that of Shostakovich they have been affected by changes in the artistic policy of the Soviet Government As a non communist the author takes a detached though sympathetic view of Soviet musical culture His aim is less to criticize than to give information though criticism is by no means evaded Although the book does not pretend to describe the whole vast field of Russian music since the Revolution its account of representative figures and

important compositions with plentiful music type examples conveys perhaps a clearer picture of what Soviet musicians are aiming at and achieving than could be obtained from a full and detailed survey involving a discussion of numerous minor figures
