Sons Of The Father:

Sons of the Father Gordon Dalbey, 2011-11 Healing the Father Wound is an exploration of how all men are wounded by the imperfection of their earthly fathers and how Jesus Christ is able to bring healing and give us a relationship to God as our perfect never failing Father The book's premise is that all men carry this father wound left by fathers who did not love them perfectly

Sons and Fathers John Crosby, 2013-10-23 Father son relationships can be notoriously difficult Often fractious sometimes hostile and occasionally destructive the issue of authority is negotiated by fathers and sons in a range of styles In this fascinating new book John Crosby describes the filial relationships of 20 historical figures to illustrate the different ways they related to their fathers and what this can tell us about love authority and the wider family context Sons and Fathers is an approach to understanding this son father conflict based on early life experience rather than upon psycho historical or psycho biographical material and theorizing Each vignette is designed to be read as a biographical account but is bookended by a section reflecting on how each man's relationship to his father can be understood in the context of key developmental theories in particular those of Eric Erikson and Murray Bowen's family system theory The book also includes an extended introduction to both theorists for those unfamiliar with their work as well as a discussion of the role of corporal punishment as a method of disciplining children From Michael Jackson to Bing Crosby Joseph Stalin to John F Kennedy this is a uniquely accessible but insightful book that will appeal to both general readers as well as students of Developmental Psychology across the lifespan Family Studies Marriage and Family therapy and related subjects It will also appeal to professionals working in the area including social workers counsellors and therapists

Sons of the Father Gordon Dalbey, 2002-05-07 Many men have a distorted idea of manhood that has been handed down from father to son for generations This book shows how to break that cycle and to receive healing through a restored relationship with God the Father

Mothers, Sons, and Lovers Michael Gurian, 1993-11-23 Through exercises and guided meditations the author provides the means to uncover the influence of the primal bond between a man and his mother and to facilitate healing there as well as in marriage parenthood friendship and all other relationships of love

Fathers and Sons in Athens Barry Strauss, 2002-09-10 As history's first democracy classical Athens invited political discourse The Athenians however could not completely separate the political from the private sphere indeed father son conflict from patricide to murdering one's son was a major public as well as a private theme In a fascinating historical reappraisal the author explores the consequences for Athens and us of the powerful influence of familial ideology on politics

Importance of the Spiritual Father-Sons Relationships in the Advancement of God's Kingdom Kwanele Booi, 2014-11-18 The subject of Fathers and Sons in Ministry is close to the heart of Prophet Kwanele Booi and has been since 2003 in August when I first came in contact with him What thrills me about the contents of this book is that what is written is lived and thus has a proven track record I am delighted to recommend The Importance of the Spiritual Father Sons Relationship in the Advancement of God's Kingdom Its a must read

Two Sons and a Father Dale L. Mast, 2016-11-30 The prodigal son did not want to live in his father's presence The older son did not know how to live in his father's presence Both sons had the same problem they desired fatherless parties The younger son wasted his inheritance while the older brother slaved in the midst of his trying to earn what he refused to receive Asking is the privilege of sons an authority hidden from orphans God the creator of all mankind desires to be your Father When the disciples asked Jesus to teach them how to pray the first two words He gave them Our Father set the tone and reality of the entire prayer If these two words do not grip our hearts the rest of the words lose context as well as the implicit favor that comes from that dynamic personal relationship There are keys to receiving our inheritance that are absolutely necessary to fulfill our destiny The prodigal was restored by his father's love and mercy but it was his father's celebration that completed and empowered his life Your best robe is in His closet It's time to enter your Father's celebration Dale has served as senior pastor to Destiny Christian Church in Dover Delaware since 1983 He is married to LuAnne Mast and they have six children and four grandchildren They travel nationally and internationally together as conference speakers Dale is a father to many serving in various networks and ministry boards He also authored *And David Perceived He Was King Annual Report of the Bureau of American Ethnology to the Secretary of the Smithsonian Institution* Smithsonian Institution. Fathers and Adolescents Shmuel Shulman, Inge Seiffge-Krenke, 2015-12-22 The understanding and study of fathers has traditionally assumed that fathers compared to mothers are less involved with their children Originally published in 1997 *Fathers and Adolescents* presents a different approach that focuses on the distinctive role of fathers in the lives of their adolescents especially in their role in adolescents attainment of developmental tasks Drawing on a variety of disciplines the authors examine the relationships of fathers to their adolescents in the context of a changing society They find that fathers interact in ways that are different from those of mothers but that are important for both normal and disturbed adolescent development Psychopathological aggressive and incestuous behaviour is considered as well as the role of the father in more ideal circumstances Drawing on the authors wealth of clinical experience this title will still be an important resource for all professionals working with adolescents as well as those in research
