Sons Of Light:

Sons of Light M. Digioia Bogin, 2011-05-05 In the year 2125C E Joram and his wife Atarah are given an assignment to place devices around the North East United States that are designed to soothe a vicious world Joram narrates this saga and reaffirms his love for Atarah as he humbly does the will of Shaddai in each adventure They travel with their son Terran throughout the Appalachian Mountains and are given a special assignment as they quibit to another dimension to guide the spirits of passed souls into the light Terran is separated from his parents and matures into his own destiny A hedonistic Earth has brought the wrath of Shaddai It is time for Him to intervene No one knows the day or hour The New World Order has taken over and the central government is based in South America Computer chips are inserted into human brains and mandatory bioengineering is expected for children Of course they are taken from parents before six to be raised by the state After the State erases personal philosophies and crushes formal religion humans are sorted into classes There are special people called the Meek Ones descended from the Jewish Essenes hiding throughout the mountains of Pennsylvania Protecting their culture is paramount Earth's astronomers have been tracking an asteroid The government forbids telling citizens when it will strike but are told to stay inside The planet is expected to be obliterated so many people despair or turn to their faith for strength Demons and Angels use this disaster to fight for man's souls The Meek Ones travel to high ground for shelter and safety but soon realize that they are part of the final story of the creation of man The characters travel through the Kabbalah's Tree of Life called the Sefirot containing many levels or dimensions Demonic spirits tempt the Meek Ones to forsake Shaddai and become part of their evil Dominion Can they resist Angelic beings interact with humans to bring Shaddai's plan for humanity into fruition Belial and Amaze and multitudes of spirits battle for control of the new universe that is discovered after the impact of the Asteroid and the final battle Two babies from different cultures will survive What will happen to mankind The Sons of Light Warren M Mueller, 2018-11-20 The Dawn Herald Trilogy concludes with the revelation of the identities of the twelve sons of light The survivors of the fall of the last stronghold resisting the Brotherhood of Andhun seek refuge among the elves in the Valley of Glainne A council is called during which the Creator appears as a shimmering globe of light Tom Oriana Min and others receive different telepathic instructions about quests that they must complete before the sons of light are revealed Thus begins several parallel stories that converge in a climactic battle as the armies of Devlin surround and invade the Forbidden Mountains which holds a glowing slab of rock with magical powers Don't miss the conclusion of this exciting adventure in which an ancient prophecy is fulfilled and selected beings are transformed into sons of light that herald a new age in the history of the earth *The Scroll of the War of the Sons of Light Against the Sons of Darkness* Yigael Yadin, 2020-03-01 *The Sons of Darkness Holding a Lamp to the Children of Light: Being the Substance of a Sermon [on Luke XVI. 8]. ... Fourth Edition* Thomas TAYLOR (Wesleyan Minister.), 1785 *The Boundaries of Jewishness in the Southern Levant 200 BCE-132 CE* John Van Maaren, 2022-06-06 Recent research has considered how

changing imperial contexts influence conceptions of Jewishness among ruling elites esp Eckhardt Ethnos und Herrschaft 2013 This study integrates other often marginal conceptions with elite perspectives It uses the ethnic boundary making model an empirically based sociological model to link macro level characteristics of the social field with individual agency in ethnic construction It uses a wide range of written sources as evidence for constructions of Jewishness and relates these to a local specific understanding of demographic and institutional characteristics informed by material culture The result is a diachronic study of how institutional changes under Seleucid Hasmonean and Early Roman rule influenced the ways that members of the ruling elite retainer class and marginalized groups presented their preferred visions of Jewishness These sometimes competing visions advance different strategies to maintain rework or blur the boundaries between Jews and others The study provides the next step toward a thick description of Jewishness in antiquity by introducing needed systematization for relating written sources from different social strata with their contexts
