Sonya The Life Of Countess Tolstoy:

Sonya Anne Edwards,1981 A sympathetic account of Sonya Tolstoy s struggle for independence reveals Sonya to be a forerunner of today s modern woman showing how her intense love for Tolstoy was diminished by his refusal to see her as her own person **Sonya** Anne Edwards,1982-11-01 **Autobiography of Countess Tolstoy [Sophie Andreevna Tolstoy]** Софья Андреевна Толстая,1922 **Sofia Tolstaya, the Author** Andrew Donskov,2022-02-22 Dealing with the most topical questions of the time Sofia Tolstaya s artistic works from parables to short stories novellas and memoirs show deep insights into the social context of nineteenth century Russia In his lengthy review of My Life along with other Tolstaya publications in Canadian Slavonic Papers the eminent Tolstoy scholar Hugh McLean 2011 laments the fact that it has taken so long almost a century after her death to focus academic attention on Sofia Tolstaya and that there has been no unified publication of her works scattered as they are among dated journals or not published at all This book aims to help fill this lacuna by offering a critical introduction to her literary output as a writer in her own right and presenting for the first time an anthology of her main artistic works some in fresh English translation and others never translated before The Hidden Writer Alexandra Johnson,2010-07-07 Whom do I tell when I tell a blank page Virginia Woolf s question is one that generations of readers and writers searching to map a creative life have asked of their own diaries No other document quite compares with the intimacies and yearnings the confessions and desires revealed in the pages of a diary Presenting seven portraits of literary and creative lives Alexandra Johnson illuminates the secret world of writers and their diaries and shows how over generations these writers have used the diary to solve a common set of creative and life questions In Sonya Tolstoy s diary we witness the conflict between love and vocation in Katherine Mansfield and Virginia Woolf s friendship the nettle of rivalry among writing equals is revealed and in Alice James s diary begun at age forty the feelings of competition within a creative family are explored The Hidden Writer shows how the diaries of Marjory Fleming Sonya Tolstoy Alice James Katherine Mansfield Virginia Woolf Ana s Nin and May Sarton negotiated the obstacle course of silence ambition envy and fame Destined to become a classic on writing and the diary as literary form this is an essential book for anyone interested in the evolution of creative life Virginia Woolf's Portraits of Russian Writers Darya Protopopova,2019-02-05 Virginia Woolf always stayed ahead of her time Championing gender equality when women could not vote publishing authors from Pakistan France Austria and other parts of the world while nationalism in Britain was on the rise and befriending outcasts and social pariahs As such what could have possibly interested her in the works of nineteenth century Russian writers austere and at times misogynistic thinkers preoccupied with peasants priests and paroxysms of the soul This study explains the chronological and cultural paradox of how classic Russian fiction became crucial to Woolf s vision of British modernism We follow Woolf as she begins to learn Russian invents a character for a story by Dostoevsky ponders over Sophia Tolstoy s suicide note and proclaims Chekhov a truly modern writer The book also examines British modernists fascination with

Russian art looking at parallels between Roger Fry's articles on Russian Post Impressionists and Woolf's essays on Chekhov Dostoevsky Tolstoy and Turgenev **The Complete Works of Tolstoy** Leo Tolstoy, 2023-12-29 The Complete Works of Tolstoy is an extensive compilation that showcases the literary genius of one of the world's most influential authors This monumental collection encompasses Tolstoy's novels short stories essays and philosophical treatises reflecting his masterful narrative style and profound moral inquiry Richly interwoven with themes of existential angst social justice and the complexities of human relationships the works invite readers to engage deeply with the moral questions of life The literary context of this compilation is key as it encapsulates the evolution of Tolstoy's thought particularly in light of the social upheavals of 19th century Russia which serve as a backdrop for his exploration of the human condition Leo Tolstoy born into a noble family in 1828 experienced a transformation from the privileged life of an aristocrat to a passionate advocate for social reform and spiritual awakening His life experiences including the harsh realities of war intrigue and personal crisis profoundly influenced the philosophical dimensions of his writing Tolstoy's quest for meaning and truth led him to question the moral foundations of society resulting in a body of work that continues to resonate with readers today This comprehensive collection is essential for any serious student of literature or philosophy offering invaluable insights into the intricacies of life and ethics as articulated by Tolstoy Whether you are encountering his works for the first time or revisiting his profound narratives The Complete Works of Tolstoy promises to enrich your understanding of humanity's core dilemmas and the quest for a meaningful existence You Can Go Home Again Tracey Laszloffy, Monica McGoldrick, 2024-06-11 Are you ready to reconnect with family in a meaningful way but unsure where or how to begin This beloved classic poignantly explains how constructing the genogram or a basic family tree can help us to better understand and mend family relationships and dynamics Readers learn how genograms can reveal a family's history of estrangement alliance divorce or suicide exposing intergenerational patterns that prove more than coincidental The book sheds light on a range of complex issues such as birth order and sibling rivalry family myths and secrets cultural differences couple relationships and the pivotal role of loss In the third edition of this revelatory book godmother of genograms Monica McGoldrick and family therapist Tracey Laszloffy focus on aiding readers in their own work to understand their family history and change their role in relationships where there is distance conflict or cutoff Readers will also find new and updated material on the intergenerational transmission of trauma the ramifications of uncovering family secrets via DNA testing and more If you've ever struggled to understand the complex dynamics of your family and your place within it this book is for you *The Biography Book* Daniel S. The Reagans Anne Edwards, 2018-08-01 He was an actor newly divorced whose controversial tenure as president of the Screen Actors Guild was drawing more attention than his fading film career She was a contract player at MGM unmarried and rapidly growing too old to play the starlet It was time she decided to settle down and become Mrs Somebody Important So Nancy Davis contrived an introduction to Ronald Reagan and the Reagans march into history began

The Reagans Portrait of a Marriage is a penetrating portrayal of one of the most powerful couples of the twentieth century Distinguished biographer Anne Edwards paints the first in depth intimate portrait of the man who became our fortieth president and the woman without whom he might never have reached such heights It was a dramatic love story from the start Nancy was always first in Reagan s thoughts and he was paramount in Nancy s actions But this obsessional love had a darker side for the four Reagan children Anne Edwards brings the Reagans dysfunctional family life into sharp focus along with a fascinating array of supporting players such as Reagan s evangelistic mother Nelle Frank Sinatra and Gerald Ford Few first ladies had as much power as Nancy Reagan and few were so widely disliked Anne Edwards shows a side of her never before revealed from Nancy s ardent defense of Reagan s interests with both opponents and supporters to the most difficult battle yet the struggle to maintain her husband s dignity through his descent into Alzheimer s disease *The Reagans* is an original and mesmerizing look at one of America s most important presidential marriages
