Sophia Caitlín Matthews,2013-09-20 Anyone interested in the feminine face of God throughout the ages will find Sophia an illuminating experience Caitlin Matthews scholarship connects us to past present and future in the very depths of our femininity Marion Woodman Jungian analyst and author of Bone Dying into Life Sophia or wisdom in Greek has been revered in many forms throughout history from the Dark Goddess of ancient Anatolia to her Egyptian Greek Celtic and Cabalistic manifestations to her current forms as Mary and the orthodox St Sophia In the Gnostic Gospel of Thomas Sophia sits with God until the creation Then she falls into matter and becomes manifest in every atom permeating all things like the sparks that run through charcoal as Matthews says While God is out there the Goddess is in here the mother wit of practical inspiration and compassion at the heart s core This definitive work comprehensively establishes a realistic Goddess theology for Westerners in the twenty first century grounding spirituality in daily life and the natural world learning to work playfully and play seriously ending the gender war to enjoy sacred marriage Sophia, Goddess of Wisdom Caitlin Matthews,1992

Sophia, Goddess of Wisdom Caitlin Matthews,1991 Sophia Goddess of Wisdom takes the reader on a journey from pre Christian spirituality to the present day seeking out the presence of the Goddess **Sophia, the Wisdom of God** Sergei Bulgakov,1993 Bulgakov was a torchbearer for what was coming to be called Sophiology His championship for Sophia was clearly an attempt to revitalize Orthodoxy and to reestablish the spirit of the divine feminine so that the Church should not remain off balanced by its Christocentric view Caitlin Matthews Sophia Goddess of Wisdom There is a great hunger to recover the feminine aspect of the Divinity But much searching has left Christians disappointed and seeking the Goddess elsewhere In this brave theological work Bulgakov shows how the Divine Sophia in whom all things are created is present in the Holy Trinity itself and how as the creaturely Sophia she works together with her divine counterpart in the work of the Holy Spirit for the redemption of the world *Sophia* Karsten Massei,2025-09-25 Over time I realized that Sophia has long since united herself with the human being It became apparent to me that her sphere of being has become the sphere of the human soul With a strong emphasis on personal inquiry Karsten Massei provides a unique guide to inner pathways that lead to Sophia using spiritual writings meditations and imagery He reveals Sophia as a goddess who embodies diverse aspects of ancient creative deities such as Isis Gaia Athene and Persephone who have accompanied humanity through the ages Though each journey toward her is personal they share a common goal to deepen our understanding of life and infuse it with wisdom This book invites readers to awaken their own direct experience of the spiritual being known as Sophia Drawing on his personal spiritual investigations and inspired by figures such as Hildegard of Bingen and Jacob Boehme who both encountered Sophia consciously Massei explores her relevance to our time and her significance for the modern soul Who is Sophia How can we come to know her And what can we do to develop our own insights and relationship with her These are the questions at the heart of this profound and timely work The gateway to Sophia is wide open I was surprised that nothing

obstructed my entry into her intrinsic sphere except my reticence or perhaps my sense of inadequacy or lack of trust Her light illumines our souls whether we wish it or not **Sophia, the Wisdom of God** Sergii Bulgakov, 2020 Bulgakov was a torchbearer for what was coming to be called Sophiology His championship of Sophia was clearly an attempt to revitalize Orthodoxy and to reestablish the spirit of the divine feminine so that the Church should not remain off balanced by its Christocentric view Caitlin Matthews author of *Sophia Goddess of Wisdom The Divine Feminine from Black Goddess to World Soul* There is a great hunger to recover the feminine aspect of the Divinity But much searching has left Christians disappointed and seeking the Goddess elsewhere In this brave theological work Bulgakov shows how the Divine Sophia in whom all things are created is present in the Holy Trinity itself and how as the creaturely Sophia she works together with her divine counterpart in the work of the Holy Spirit for the redemption of the world This book is a revised edition of *The Wisdom of God A Brief Summary of Sophiology* The Paisley Press 1937 *Sophia* Tina J. Ostrander, 1994 In the Bible Sophia is the wisdom of God not a divine entity separate from God or another name for God as portrayed in feminist theology **The Woman Jesus Loved** Antti Marjanen, 2020-10-26 This is the first comprehensive study on Mary Magdalene in those second and third century Gnostic texts in which Jesus most famous female follower gains a prominent position Special attention is paid to the way Mary is presented in relation to other disciples and to how her portrait pertains to gender imagery used in the writings Detailed text analyses based on a careful philological study show that no uniform picture and use of the figure of Mary can be traced Contrary to a common supposition the book also demonstrates that the positive view of Mary displayed in the texts does not automatically imply a positive attitude towards women in general The work provides a basis for all further discussion of Mary Magdalene in the Nag Hammadi and related documents *Sophia* Susanne Schaup, 1997 The resurgent interest in the wisdom of the Goddess and ancient matriarchal religions makes Sophia a timely read Schaup explains that the Divine Feminine has been with us all along hidden in ancient Christian scripture and has taken many different forms and names in Eastern and Western culture She is Sophia or Divine Wisdom Dr Schaup heralds a paradigm shift in our concept of God with this provocative chronicle of the manifestation of the Divine Feminine throughout history and in the world s diverse cultures With this beautifully written book Dr Schaup teaches us to recognize Sophia and Her relevance to our time so that we can restore Her to Her rightful place in our hearts and minds alongside the Fathergod and gain a new sense of wholeness *PHILO-SOPHIA* DEBASHISH. MCDERMOTT BANERJI (ROBERT.), 2022 *The Inner West* Jay Kinney, 2004-06-17 The founder of the influential Gnosis magazine collects essays by some of today s finest spiritual writers to explore the West s magical and esoteric traditions Rosicrucianism Freemasonry Gnosticism The Knights Templar Even before the success of The Da Vinci Code many readers knew of these and other aspects of Western esoterica But few understand their true meaning In *The Inner West* more than twenty essays by seventeen leading authors shine a light on some of the most mysterious and closely held aspects of the Western tradition Its authors bring to life the symbolist and occult philosophies that populate the

history and beliefs of the Western way These same philosophies which include variants of Christian and Jewish mysticism and the teachings of figures like Rudolf Steiner and G I Gurdjieff can present a deep and different spiritual path for today s seekers Spiritual seekers have often looked to the East for inspiration and guidance Yet increasing numbers of people are discovering that many helpful wisdom traditions have existed right here in the West With the Kabbalah and Tarot cards more popular than ever and alternative spirituality from Wicca to Sufism gaining a new audience The Inner West is a timely book for this expanding audience

She Was Always There Signe Eklund Schaefer,2023-06-05 Who or perhaps what is she Signe Eklund Schaefer poses this question as she leads us into a heartfelt exploration of the great mystery that is Sophia Her book does not take an academic or theological path but one that is personal and full of warmth and genuine interest in discovery that goes toward living reality well beyond mere names and fixed ideas As Schaefer says she decided to forego the idea of a straightforward narrative and instead interweave musings poems saved quotations and other assorted notes from my many years of living with questions about and to her The author tells us Questions of inner growth of spiritual striving of how to bear the suffering in the world without going under and perhaps most of all of how to love often present themselves surrounded by veils In acknowledging a question the veil may begin to shift Our questions matter bringing them to consciousness exploring them with others waiting with an open heart for the spirit to speak this is the ongoing work of unveiling Sophia is rightly seen as the living moving being of universal wisdom and the archetypal feminine but Schaefer helps us to see her as more as an expression of what humanity must rightfully become

Lazarus, Come Forth! Valentin Tomberg,2006-07 7 lectures Torquay UK August 12 20 1924 CW 311 These seven intimate aphoristic talks were presented to a small group on Steiner s final visit to England Because they were given to pioneers dedicated to opening a new Waldorf school these talks are often considered one of the best introductions to Waldorf education Steiner shows the necessity for teachers to work on themselves first in order to transform their own inherent gifts He explains the need to use humor to keep their teaching lively and imaginative Above all he stresses the tremendous importance of doing everything in the knowledge that children are citizens of both the spiritual and the earthly worlds And throughout these lectures he continually returns to the practical value of Waldorf education These talks are filled with practical illustrations and revolve around certain themes the need for observation in teachers the dangers of stressing the

intellect too early children's need for teaching that is concrete and pictorial the education of children's souls through wonder and reverence the importance of first presenting the whole then the parts to the children's imagination Here is one of the best introductions to Waldorf education straight from the man who started it all This volume is a translation of *Die Kunst des Erziehens aus dem Erfassen der Menschenwesenheit* volume 311 of the Complete Centenary Edition of the works of Rudolf Steiner published by Rudolf Steiner Verlag Dornach Switzerland Eco-theology Celia Deane-Drummond, 2008 Concern for the environment has developed and intensified over the last few decades to the point where it now dominates much of our contemporary political landscape and culture In *Eco Theology* Celia Deane Drummond offers a comprehensive resource book for this burgeoning field of enquiry that highlights and seeks to evaluate the merits or otherwise of contemporary eco theologies She introduces the reader to critical debates in eco theology tracing trends from around the globe and key theological responses and encourages reflection and analysis through further reading sections at the end of each chapter and questions for discussion Publisher Mary Magdalene, Bride in Exile Margaret Starbird, 2005-08-16 An in depth investigation of the facts and mythology surrounding the historical Mary Magdalene Reveals new details about the life of the beloved of Jesus Illustrated with rare and unusual imagery depicting Mary's central role in Christianity By the author of the bestselling *The Woman with the Alabaster Jar* The controversy surrounding Mary Magdalene and her relationship to Jesus has gained widespread international interest since the publication of Dan Brown's novel *The Da Vinci Code* which specifically cites Margaret Starbird's earlier works as a significant source In *Mary Magdalene Bride in Exile* Starbird examines the many faces of Mary Magdalene from the historical woman who walked with Jesus in the villages of Judea to the mythic and symbolic Magdalene who is the archetype of the Sacred Feminine Starbird reveals exciting new information about the woman who was the most intimate companion of Jesus and offers historical evidence that Mary was Jesus' forgotten bride Expanding on the discussion of medieval art and lore introduced in her bestselling book *The Woman with the Alabaster Jar* Starbird sifts through the layers of misidentification under which the story of the Lost Bride of Christ has been buried to reveal the slandered woman and the exiled feminine principle She establishes the identity of the historical female disciple who was the favored first witness of the Resurrection and provides an interpretation of Mary's true role based on prophecy from the Hebrew scriptures and the testimony of the canonical gospels of Christianity Balancing scholarly research with theological reflection she takes readers deeper into the story and mythology of how Magdalene as the Bride embodies the soul's own journey in its eternal quest for reunion with the Divine **Love and the Soul** Robert Sardello, 2011-06-28 With economies in peril war in the Middle East genocides global warming and a host of other grim phenomena the world has never seemed so besieged The solution says Robert Sardello lies with the individual In this timely thoughtful book he explains how the soul can engage with the outer world to produce radical change Because we think of the world as a vast mechanism and behave as mechanical objects in it the results are devastation and dysfunction The key is to learn to identify with the plight of

the Earth by developing a true sense of individual imagination and conscious awareness of inner purpose and beauty in conjunction with the soul of the world Sardello shows how to achieve this awareness and bring what is inside out into the world inspiring balance and stability Using the Grail legend and the myth of Sophia known as the Soul of the World as well as writings by Jung James Hillman and Rudolf Steiner Love and the Soul helps readers imagine a revitalized Earth by exploring the significance of grieving the transformative power of radical receptivity the creative power of dreaming and a new basis for community
