Sophies Legacy:

Sophie's Legacy Lesley Elliott, William J. O'Brien, 2011-06-10 Sophie Elliott had everything to live for until her ex boyfriend decided otherwise The gripping mother s tale of a murder that shocked New Zealand Sophie Elliott had good looks intelligence friends a loving family a degree under her belt and a new job at the Treasury in Wellington And then the day before she left Dunedin to take up that job she was brutally stabbed to death in her own home by her former boyfriend Clayton Weatherston He was much older and one of her lecturers at the university When the public came to take his measure at his high profile trial in 2010 his narcissistic manipulative personality stunned the nation Sophie s mother Lesley has weathered the horror of her daughter s death and the gruelling process of the trial to set up a foundation to help young women identify when they might be in a relationship that puts them in harm s way as Sophie was unbeknownst to her and her family and how to seek help This book is Lesley s tribute to a daughter she adored her harrowing account of a tragedy no family should ever have to endure and her inspiring decision to make sure that Sophie s legacy endures It s also her challenge to the justice system on behalf of victims Sophie's Legacy Dareion Morgan, 1995 The Legacy of Hegel J.J. O'Malley, K.W. Algozin, H.P. Kainz, L.C. Rice, 2012-12-06 The present volume represents the proceedings of the Marquette Hegel Symposium held at Marquette University Milwaukee Wisconsin on June 2 5 1970 The Symposium celebrating the two hundredth anniversary of Hegel s birth was presented under the combined sponsorship of the Philosophy Department of Marquette University the American Council of Learned Societies and the Johnson Foundation of Racine Wisconsin Its general theme embraced not only specific topics of interest in contemporary Hegel studies but also the wider aspects of the influences and impact of Hegel s thought upon contemporary philosophical political and social problems Principal contributors and panelists were selected for their scholarly achievements in Hegel studies and also in keeping with the broad view of the Hegelian legacy in current thought All sessions of the Symposium were plenary and designed for maximum discussion and interchange among participants The Symposium Committee regrets that it has not been feasible to incorporate the transcript of the discussions except for the round table discussion on editing and translating Hegel into this volume The papers presented in each day s sessions are published here with editorial changes and corrections made by their respective authors The papers by Professors Otto Poggeler and Eric Weil were originally translated by members of our Committee the present versions incorporate many changes and corrections made by their authors The comments on each paper were brought into their present form only after the Symposium and in the light of the discussions which took place during it **The Legacy of Positivism** Michael Singer, 2005-09-30 This book gives a unique historical and interpretive analysis of a widely pervasive mode of thought that it describes as the legacy of positivism Viewing Auguste Comte as a pivotal figure it charts the historical origins of his positivism and follows its later development through John Stuart Mill and mile Littr It shows how epistemological shifts in positivism influenced parallel developments in the human and legal sciences

and thereby treats legal positivism and positivism as it is understood in the human sciences within a common framework

Whittaker, 2013-09-11 Originating in Finland in eighteen sixty five Educational Sloyd used handicrafts practised in schools to promote educational completeness through the interdependence of the mind and body These radical ideas spread throughout Europe and America and had a significant impact on the early development of manual training manual arts industrial education and technical education Today it is generally acknowledged that Educational Sloyd laid the foundations of modern technological education This book

traces the development of Sloyd from its conception by Uno Cygnaeus and the first Sloyd school founded by Otto Salomon to its enthusiastic take up in Scandinavia and beyond. It examines the debates and controversy which surround the Sloyd system and considers the transition from hands on craft work to concepts of technology education. Finally the investigation reveals the lasting legacy of the ideas and practice of Sloyd education and how it continues to influence technological education. Included in the book: the foundations of Educational Sloyd; debates, controversy and rival factions; key case studies in Finland and Iceland; the lasting legacy of Sloyd education. This fascinating and comprehensive historical exploration will be of interest to scholars and researchers in the areas of technology education, comparative education and the history of education.

Acta Poloniae Historica, 1995 **Sophies Schwester** Christine Friederich, 2013-01-09
Sophies Schwester das ist Inge Scholl deren jüngerer Geschwister Hans und Sophie 1943 hingerichtet wurden weil sie sich dem NS Regime widersetzt hatten. Inge Scholl wusste nichts vom Widerstand ihrer Geschwister. Doch sie begab sich umgehend auf eine private Spurensuche und avancierte damit nach 1945 zu einer ebenso einflussreichen wie prominenten Aktivistin in der bundesrepublikanischen Erinnerungs- und Gedenkkultur an den Widerstand im Dritten Reich. Christine Hikel hat darüber ein erhellend aufregendes Buch geschrieben. Sie kann eindrucksvoll zeigen wie familiäre Erinnerungen konstruiert wurden wie sie sich im Laufe der Zeit veränderten wie und wann sie sich gegen konkurrierende Widerstands Erzählungen durchsetzten und das öffentliche Gedenken prägten. Die Geschichte der Weißen Rose wird damit in die Zeit nach 1945 verlängert und als faszinierendes Lehrstück präsentiert. Selbst spektakuläre Taten wie die Flugblatt Aktion Hans und Sophie Scholls in der Münchner Universität finden im kollektiven Gedächtnis nur dann einen Platz wenn sie Fürsprecher finden die sie immer wieder neu zum aktuellen politischen und gesellschaftlichen Zeitgeist in Bezug setzen. Shortlist Nominierung Opus Primum 2013
