Sophocles Trachiniae:

The Trachiniae Sophocles,1962 **Sophocles: Trachiniae** Sophocles,1982-10-28 Greek text with introduction and full commentary Tragic Rhetoric Bruce A. Heiden,1989 This innovative study of Sophocles Trachiniae deepens our appreciation of the enigmatic nature of Sophoclean tragedy and its place in the Athens of the Sophists By carefully examining the play s narrative and rhetorical strategies Bruce Heiden shows that the plot of Trachiniae must be constructed by the creative interpretation of the spectator or reader and he demonstrates that Sophocles extensive use of speeches reporting offstage events dramatizes the very problems that arise when rhetorical claims of knowledge conceal acts of interpretation Tragic Rhetoric will interest both classicists and students of literary theory Trachiniae Sophocles,2021-04-02 This tragedy by Sophocles focuses on Deianeira wife of the hero Heracles She hears that he has fallen for another woman while away at war Deianeira brews a love potion putting into motion a series of regrettable events As is the custom in these Greek tragedies every central character ends up dead **Sophocles: The Trachiniae (1st ed. 1892)** Sophocles,Richard Claverhouse Jebb,1908 **Women of Trachis** Sophocles,2021-03-03 A new translation of Sophocles s Greek tragedy suitable for a modern audience Rites of Passage in Ancient Greece Mark William Padilla,1999 This volume reflects on liminality as it relates to initiatory themes in Greek literature and on literary works especially tragedy that represent heroes and heroines undergoing rites of passage Featured works include Aeschylus s Prometheus Bound Euripides Ion and Iphigenia in Tauris and Sophocles Antigone and Women of Trachis **The Trachiniae** Sophocles,2025-03-31T01:55:50Z The Trachiniae is one of Sophocles lesser known plays yet it remains a powerful exploration of fate suffering and human fallibility Though its exact date of composition is uncertain scholars often place it later in the playwright s career possibly between 450 and 425 BCE The play s title refers to the women of Trachis the chorus who witness and reflect on the unfolding catastrophe The play begins with Deianeira wife of the absent hero Heracles expressing her fears about his long absence and possible infidelity Her anxieties are confirmed when she learns that Heracles has sacked a city to claim the young princess Iole as his concubine Desperate to regain his love Deianeira sends Heracles a robe anointed with what she believes is a love charm a potion given to her years earlier by the dying centaur Nessus who deceitfully claimed it would ensure Heracles fidelity But unbeknownst to her the potion is actually a deadly poison that sears Heracles flesh subjecting him to unbearable agony This book is part of the Standard Ebooks project which produces free public domain ebooks **The Trachiniae** Sophocles,2015-08-11 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this
