Sophy of Kravonia Anthony Hope, 2017-09-15 Excerpt from Sophy of Kravonia A Novel One found warrant enough for his phrase At ordinary times it was a very pale red in color but unlike the rest of her face it was very rapidly sensitive to any change of mood or temper in moments of excitement the shade deepened greatly and as Colonel Markart says in his hyperbolic strain it glowed like angry Venus Without going quite that length we are bound to allow that it was at these moments a conspicuous and striking mark and such it clearly appeared to the eyes of all who saw it La dame a l etoile rouge says the Marquis The Red starred Witch said the less courteous and more hostile citizens and soldiers of Kravonia Sophy herself appears proud of it though she feigns to consider it a blemish Very probably it was one of those peculiarities which become so closely associated and identified with the personality to which they belong as at once to heighten the love of friends and to attract an increased dislike or hatred from those already disposed or committed to enmity At any rate for good or evil it is as Red Star that the name of Sophy lives to day in the cities and mountains of Kravonia About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Sophy of Kravonia Anthony Hope, 1925 Kravonia is a principality to be sought on the map somewhere in the vicinity of Zenda and is like most of the states of the mythical group to which it belongs the sport of diplomatic intrigue Its prince is sorely beset by enemies but when he acquires a princess in the shape of a beautiful English maiden transformed from a lowly maid servant into a captivating adventuress his fortunes change and he gives his foes a run for their money Unhappily he is killed just when triumph is at hand and his princess goes into exile cherishing the memory of the glorious weeks of the conflict Mr Hope's hand has lost little of its cunning since the days when he invented Zenda and his Sophy of Kravonia is a capital story
