Sor Juana Or The Traps Of Faith

Pamela Kirk Rappaport

Sor Juana Or The Traps Of Faith:

Sor Juana, Or, The Traps of Faith Octavio Paz, 1988 A life of the seventeenth century poet intellectual and feminist who became a nun and eventually gave up secular learning places her in her times and in Spanish intellectual tradition and examines the contradictions in her personality

Sor Juana, Or, The Traps of Faith Octavio Paz, 1988 Sor Juana Inés de la Cruz Pamela Kirk Rappaport, 1998 The seventeenth century Mexican nun scholar and writer Sor Juana has inspired numerous literary studies including works by Octavio Paz George Tavard M Sayers Peden Jean Franco Alan Trueblood E Arenal and A Powell In contrast Kirk offers a theological analysis of the less frequently studied religious writings that comprise two thirds of Sor Juana s oeuvre Back cover

With Her Machete in Her Hand Catrióna Rueda Esquibel, 2009-09-15 With the 1981 publication of the groundbreaking anthology *This Bridge Called My Back* Writings by Radical Women of Color Cherr e Moraga and Gloria Anzald a ushered in an era of Chicana lesbian writing But while these two writers have achieved iconic status observers of the Chicana o experience have been slow to perceive the existence of a whole community lesbian and straight male as well as female who write about the Chicana lesbian experience To create a first full map of that community this book explores a wide range of plays novels and short stories by Chicana o authors that depict lesbian characters or lesbian desire Catri na Rueda Esquibel starts from the premise that Chicana o communities theories and feminisms cannot be fully understood without taking account of the perspectives and experiences of Chicana lesbians To open up these perspectives she engages in close readings of works centered around the following themes La Llorona the Aztec Princess Sor Juana In s de la Cruz girlhood friendships rural communities and history and Chicana activism Her investigation broadens the community of Chicana lesbian writers well beyond Moraga and Anzald a while it also demonstrates that the histories of Chicana lesbians have had to be written in works of fiction because these women have been marginalized and excluded in canonical writings on Chicano life and experience

Figuring Modesty in Feminist Discourse Across the Americas, 1633-1700 Dr Tamara Harvey, 2013-04-28 Inventive in its approach and provocative in its analysis this study offers fresh readings of the arguments and practices of four seventeenth century Euro American women Anne Bradstreet Anne Hutchinson Sor Juana In s de la Cruz and Marie de l Incarnation Tamara Harvey here compares functionalist treatments of the body by these women offering a new way to think of corporeality as a device in literary and religious expressions of modesty by women In doing so Harvey explores the engagement of these women in ongoing religious political scientific and social debates that would have been understood by the authors contemporaries in both Europe and America

The Shattered Mirror María Elena de Valdés, 2010-07-05 Popular images of women in Mexico conveyed through literature and more recently film and television were long restricted to either the stereotypically submissive wife and mother or the demonized fallen woman But new representations of women and their roles in Mexican society have shattered the ideological mirrors that reflected these images This book explores this major change in the literary representation of

women in Mexico Mar a Elena de Vald s enters into a selective and hard hitting examination of literary representation in its social context and a contestatory engagement of both the literary text and its place in the social reality of Mexico Some of the topics she considers are Carlos Fuentes and the subversion of the social codes for women the poetic ties between Sor Juana In s de la Cruz and Octavio Paz questions of female identity in the writings of Rosario Castellanos Luisa Josefina Hern ndez Mar a Luisa Puga and Elena Poniatowska the Chicana writing of Sandra Cisneros and the postmodern celebration without reprobation of being a woman in Laura Esquivel s *Like Water for Chocolate* **Seventeenth-Century Spanish Poetry**

Arthur Terry,1993-11-11 The first comprehensive study in English of one of the most important bodies of verse in European literature *The Routledge Research Companion to the Works of Sor Juana Inés de la Cruz* Emilie L. Bergmann,Stacey Schlau,2017-04-28 Called by her contemporaries the Tenth Muse Sor Juana In s de la Cruz 1648 1695 has continued to stir both popular and scholarly imaginations While generations of Mexican schoolchildren have memorized her satirical verses only since the 1970s has her writing received consistent scholarly attention focused on complexities of female authorship in the political religious and intellectual context of colonial New Spain This volume examines those areas of scholarship that illuminate her work including her status as an iconic figure in Latin American and Baroque letters popular culture in Mexico and the United States and feminism By addressing the multiple frameworks through which to read her work this research guide serves as a useful resource for scholars and students of the Baroque in Europe and Latin America colonial Novohispanic religious institutions and women s and gender studies The chapters are distributed across four sections that deal broadly with different aspects of Sor Juana s life and work institutional contexts political economic religious intellectual and legal reception history literary genres and directions for future research Each section is designed to provide the reader with a clear understanding of the current state of the research on those topics and the academic debates within each field

Deborah's Daughters Joy A. Schroeder,2014 Joy A Schroeder offers the first in depth exploration of the biblical story of Deborah an authoritative judge prophet and war leader For centuries Deborah s story has challenged readers traditional assumptions about the place of women in society Schroeder shows how Deborah s story has fueled gender debates throughout history An examination of the prophetess s journey through nearly two thousand years of Jewish and Christian interpretation reveals how the biblical account of Deborah was deployed against women for women and by women who aspired to leadership roles in religious communities and society Numerous women and men who supported women s aspirations to leadership used Deborah s narrative to justify female claims to political and religious authority Opponents to women s public leadership endeavored to define Deborah s role as private or argued that she was a divinely authorized exception not to be emulated by future generations of women *Deborah's Daughters* provides crucial new insight into the history of women in Judaism and Christianity and into women s past and present roles in the church synagogue and society

The Habit of Poetry Nick Ripatrazone,2023-05-09 Something of a minor literary renaissance happened in midcentury

America from an unexpected source Nuns were writing poetry and being published and praised in secular venues Their literary moment has faded into history but it is worth revisiting The literary creations of poetic priests like Gerard Manley Hopkins S J and Robert Southwell S J have been both a blessing and a burden creating the sense that male clergy alone have written substantial work But Sor Juana In s de la Cruz the 17th century Mexican poet nun famous for her iconic verses and trailblazing sense of the role of religious creative women set the literary precedent for pious work from women Sister Mary Bernetta Quinn a critic and poet was praised by Flannery O Connor and kept long correspondences with many of the best poets of her generation Carmelite nun Sister Jessica Powers published widely Sister M Madeleva Wolff poet and university president transformed Catholic higher education The Habit of Poetry brings together these women and others Their poetry is devotional and deft complex and contemplative This mid 20th century renaissance by nun poets is more than a literary footnote it is a case study in how women negotiate tradition and individual creativity
