Sorraya in a Coma Esmail Fassih, Ismā'īl Faṣīḥ, 1985 Sorraya in a Coma Ismā'īl Faṣīḥ, 1985 *The A to Z of Iran* John H. Lorentz, 2010-04-14 Iran is a country with a deep and complex history Over several thousand years Iran has been the source of numerous creative contributions to the spiritual and literary world and the site of many remarkable manifestations of material culture The special place that Iran has come to hold in contemporary historical events most recently as a center stage actor in the unfolding and interconnected drama of worldwide nuclear arms proliferation and terrorism is all the more reason to explore the characters and personality of Iran and Iranians The A to Z of Iran is designed to give the reader a quick and understandable overview of specific events movements people political and social groups places and trends Through its extensive chronology introduction bibliography appendixes and more than double the number of cross referenced dictionary entries as in the previous edition the work allows for considerable exploration of a number of historical and contemporary topics and issues In particular the modern period defined as 1800 present is covered extensively **Contemporary World Fiction** Juris Dilevko, Keren Dali, Glenda Garbutt, 2011-03-17 This much needed guide to translated literature offers readers the opportunity to hear from learn about and perhaps better understand our shrinking world from the perspective of insiders from many cultures and traditions In a globalized world knowledge about non North American societies and cultures is a must Contemporary World Fiction A Guide to Literature in Translation provides an overview of the tremendous range and scope of translated world fiction available in English In so doing it will help readers get a sense of the vast world beyond North America that is conveyed by fiction titles from dozens of countries and language traditions Within the guide approximately 1 000 contemporary non English language fiction titles are fully annotated and thousands of others are listed Organization is primarily by language as language often reflects cultural cohesion better than national borders or geographies but also by country and culture In addition to contemporary titles each chapter features a brief overview of earlier translated fiction from the group The guide also provides in depth bibliographic essays for each chapter that will enable librarians and library users to further explore the literature of numerous languages and cultural traditions *The Routledge Handbook of Persian Literary Translation* Pouneh Shabani-Jadidi, Patricia J. Higgins, Michelle Quay, 2022-07-08 The Routledge Handbook of Persian Literary Translation offers a detailed overview of the field of Persian literature in translation discusses the development of the field gives critical expression to research on Persian literature in translation and brings together cutting edge theoretical and practical research The book is divided into the following three parts I Translation of Classical Persian Literature II Translation of Modern Persian Literature and III Persian Literary Translation in Practice The chapters of the book are authored by internationally renowned scholars in the field and the volume is an essential reference for scholars and their advanced students as well as for those researching in related areas and for independent translators of Persian literature **Strange Times, My Dear** Nahid Mozaffari, Ahmad Karimi-Hakkak, 2012-01-13 When Arcade Publishing

originally contracted this extraordinary collection of poetry and literature the Department of the Treasury was attempting to censor the publication of works from countries on America's enemies list Arcade along with the PEN American Center the Association of American Publishers Professional and Scholarly Publishing Division and the Association of American University Presses filed a lawsuit in federal court against the United States government Their landmark case forced the Office of Foreign Assets Control to change their regulations regarding editing and publishing literature in translation and Arcade is proud to reissue this anthology that showcases the developments in Iranian literature over the past quarter century Since the Iranian revolution of 1979 the United States has been virtually cut off from that country's culture Despite severe difficulties imposed by social political and economic upheavals as well as war repression and censorship a veritable cultural renewal has taken place in Iran over the past quarter century not only in literature but in music art and cinema Over forty writers from three generations contributed to this rich and varied collection or to use the Persian term *golchine* a bouquet one that provides a much needed window into a largely undiscovered branch of world literature In the wake of the Green Revolution and sweeping changes in the region this particular *golchine* is more relevant than ever and will bring literary enjoyment as well as a fuller understanding of a complex and ever shifting culture In a Persian Mirror M. R.

Ghanoonparvar, 2010-07-05 The extreme anti Western actions and attitudes of Iranians in the 1980s astonished and dismayed the West which has characterized the Iranian positions as irrational and inexplicable In this groundbreaking study of images of the West in Iranian literature however M R Ghanoonparvar reveals that these attitudes did not develop suddenly or inexplicably but rather evolved over more than two centuries of Persian Western contact Notable among the authors whose works Ghanoonparvar discusses are Sadeq Hedayat M A Jamalzadeh Hushang Golshiri Gholamhoseyn Sa'edi Simin Daneshvar Moniru Ravanipur Sadeq Chubak and Jalal Al-e Ahmad This survey significantly illuminates the sources of Iranian attitudes toward the West and offers many surprising discoveries for Western readers not least of which is the fact that Iranians have often found Westerners to be as enigmatic and incomprehensible as we have believed them to be Moments
