

Soul mates will always end up together.

No matter how much
love was lost, and no matter
how much distance there was.

You lose each other
to find each other again.

That is what it is like
when someone is meant for you;

if they leave,
they will return and stay forever.

Soul Mates Forever:

Soul Mates Forever: Witching Call Complete Series Sweet and Special Books, *Forever Thought Catalog*, 2016-09-16
Maybe you're a hopeless romantic or maybe you're hopelessly cynical. But regardless of who you are or where you're at, it's safe to say that we've all hoped to fall in that deep, all-consuming butterfly-inducing soul mate kind of love. This collection of essays celebrates the idea of soul mates, real love, and finding your forever person. Because no matter what, there is always love. And if you're lucky, that love is forever. *Soul Mates* Richard Webster, 2001. Popular metaphysical author Webster explores every aspect of the soul mate phenomenon in his newest release. After learning of examples of soul mates from the author's own practice and famous soul mates from history, readers will learn how to recall their past lives and strengthen their relationship so it grows stronger and better as time goes by. **Man and Woman Forever** Christopher Alan Anderson, 2012-09-13. A bringing to the surface the eternal connection within each man and woman with their sexual equal and opposite other half. It is You and it is I. Do I finally understand? Shall I say it again? How long can I pretend I do not know us? Imprint. Let me call You and I a definition introduction. *Man and Woman Forever* Author Bio: Christopher Alan Anderson, 1950, received the basis of his education from the University of Science and Philosophy, Swannanoa, Waynesboro, Virginia. He resides in the transcendental romantic tradition, that vein of spiritual creativity of the philosopher and poet. His quest has been to define and express an eternal romantic reality from which a man and a woman could together stand in their difference and create a living universe of procreative love. Mr. Anderson began these writings in 1971. The first writings were published in 1985. On a personal note, when Mr. Anderson was asked to describe the writings and what he felt their message was, he responded: Spiritual procreation. Mankind has yet to distinguish the two sexes on the spiritual level. In this failure lies the root of our problems, and why we cannot yet touch the eternal together. The message of man and woman balance brings each of us together in love with our eternal other half. Right now keywords: Soul Mates, Love, Desire, Eternal Connection, Other Half. **Becoming Soul Mates** Elva Anson, 2003. **Soul-Mates Forever** Vicki Green, Kathy Krick, 2014-01. Love captures us in a moment and changes us forever. When love isn't enough to break through the walls that were built so long ago, how is true happiness ever found? Paxton Davenport built these walls when every guy she met only wanted her gorgeous body. Her modeling career really takes off after returning to L.A. from her best friend's wedding. But her thoughts continually plague her of the hot rocker Tucker Williams, who pursued her both times she visited her friend. Her rich parents have never provided the attention or love she needed growing up. She is considered your typical 21-year-old rich bitch, snooty to most, but deep inside she is the most loving and caring person you could ever know. Tucker, or Tuck, as everyone knows him, grew up in a house where a normal day was seeing his parents drugged out, no food to be found, and finding solace in his guitar. His mom ending up in prison and his dad dying from an overdose leads him to falling in with the wrong crowd. With the help of friends, at the age of 22, he finds himself as a tattoo artist by day, the leader of a rock band, Razers Edge, by night. He falls head over
