The Christian Case against Contraception Bryan C. Hodge,2010-01-01 Evangelicals often give little thought to the morality of contraception but when they do serious studies of the subject are scarce if not non existent The *Christian Case against Contraception* seeks to fill this gap by evaluating the practice not from personal preferences or more experience but

from the four major theological disciplines of Christianity Historical Biblical Systematic and Practical Theology and Ethics The book begins with a contrastive analysis between secular and ecclesiastical culture and thought concerning the subject of contraception and the purpose of the sexual act The claims of the Church that contraception is morally unacceptable is examined further as the book takes the reader on a journey through biblical systematic and practical arguments which establish the foundations of the Historic Church's claim Opposing arguments are evaluated as to their strength and validity In fact Hodge stirs the debate with a challenge that he has yet to see Christians set forth a valid biblical argument in support of contraceptive practices For the reader seeking to place procreative ethics under the lordship of Christ The Christian Case against Contraception offers a bold and clear way forward Bryan Hodge approaches a subject that seems too often to be subject to our passions with sobriety and fidelity He canvasses the wisdom of the church stands firm on the authority of the Bible and in so doing directs us all to greater obedience greater faith and in the end greater joy R C Sproul Jr author of Bound for Glory Federal Husband: Covenant Headship and the Christian Man Douglas Wilson, 1999-10-01 Federal thinking is foreign to the modern mind Federal has come to mean nothing more than centralized or big Because your federal government has become so uncovenantal it is not surprising that the original meaning of the word is lost But federal thinking is the backbone of historic Protestant theology and the Church needs to recover the covenantal understanding of federal headship Husbands are to lead their families taking responsibility for them as covenant heads as federal husbands

Repairing the Ruins Douglas Wilson, 1996 Repairing the Ruins is a collection of essays about classical education

Designed for Joy Owen Strachan, Jonathan Parnell, 2015-07-15 Male and female he created them Genesis 1:27 It's one of the most important and controversial topics of our time God created men and women in his image equal in value and complementary in roles These distinctive roles are not the vestiges of a bygone era but integral to God's timeless good design for humanity Designed for Joy includes fresh contributions from fourteen young leaders casting a unified vision for Christian manhood and womanhood Whether discussing the significance of gender the truth about masculinity and femininity the blessing of purity or the challenge of raising children in a confusing world this practical resource challenges us to embrace God's good design for his glory and our joy My Life for Yours Douglas Wilson, 2004-01-01 How does life in each room of your home manifest the Gospel The Christian gospel isn't just a spiritual reality The Word became flesh and bone and the gospel becomes our porch dining room bedroom and kitchen The driving desire of the gospel is my life for yours Our desire should be to have this love transform everything we do room by room This book works its way through every part of the house examining each part in light of Scripture The claims of God are always total and this is evident on the doorposts and in a sink full of dishes Self-centeredness destroys in monotonously similar ways Giving up life for another produces a harvest of kindness and mercy Household questions should always begin with is this my life for yours **Fidelity** Douglas Wilson, 1999-10-23 We live in a time when marital fidelity is under assault Driven by the forces of relativism our society

attacks sexual faithfulness on numerous fronts The push for homosexual marriages for example comes at the end of the fall into perversion not the beginning Faithless husbands began the fall long ago and our culture with all its washed out self help books fails to address the real problem sin Addressed to men Fidelity hits hard using clear language and focusing on specific sins with specific solutions adultery divorce polygamy celibacy pornography and more But in the end the antidote to all sexual temptation is simple the godly honoring of the marriage bed Marriage is honourable in all and the bed undefiled but whoremongers and adulterers God will judge Heb 13 4 Christ and Culture Revisited D. A. Carson, 2012-01-31 Called to live in the world but not to be of it Christians must maintain a balancing act that becomes more precarious the further our culture departs from its Judeo Christian roots How should members of the church interact with such a culture especially as deeply enmeshed as most of us have become In this award winning book now in paperback and with a new preface D A Carson applies his masterful touch to that problem After exploring the classic typology of H Richard Niebuhr with its five Christ culture options Carson offers an even more comprehensive paradigm for informing the Christian worldview More than just theoretical Christ and Culture Revisited is a practical guide for helping Christians untangle current messy debates about living in the world
