Standing Up In A Fallen World:

Stand Up, Stand Strong Sara Barratt, 2022-04-19 If we live according to the gospel we're going to make waves. Why? Because the way of Christ is countercultural. It doesn't go with the flow, compromise on truth, or stay silent in the face of injustice, so neither can we. No matter how young or old we are, or how much or how little influence we think we have, God calls us to boldly engage our upside-down culture through the lens of his truth. With powerful examples from Scripture and stories from teens today and through the centuries, Sara Barratt equips teens to live with a biblical worldview approach today's hot-button issues with godly wisdom and influence their generation for the glory of God. Tackling tough topics like sexuality, addiction, identity, media, and much more, Sara offers practical ways to stay rooted in God's truth while engaging culture with the redemptive story of the gospel, no matter the cost. **Sermons and Discourses**, 1885 **Politics, Principle and**

Standing Up to Donald Trump Kristen Monroe, 2024-06-17 The Muslim ban, immigrant children caged, isolated from their families, downplaying COVID-19, infatuation with foreign dictators, voter fraud, election denial, encouraging the January 6th 2021 Capital insurrection. Despite Donald Trump's many legal and moral abuses, most Republican Party leaders continue to support him. Why? How can we explain Republican complicity? True believers in the MAGA cult are rare. There are moderate Republican members of Congress: Kevin McCarthy, Lindsay Graham, and Mitch McConnell, who publicly rebuked Trump only to later back down and support him and his version of the truth. The motivation driving these powerful political leaders: fear. Self-interest, lack of moral fiber, is less interesting than is a related question: What propelled the moral courage of the few traditionally conservative Republicans who refused to go along with Trump and his obvious lies? The world saw great physical courage on January 6th as members of the Capital police fought against overwhelming odds, risking their lives to protect members of Congress. Such physical courage is commendable and rare. Yet moral courage, the willingness to stand up and fight for what you believe is right, even when you know it will cost you, is even rarer. How can we explain why some Republicans followed their consciences while many others did not? This is the topic of this book. Analyzing in-depth interviews, public speeches, journals, documents, and other data from dedicated Republicans: Senators McCain, Romney, and Flake; Representatives Kinzinger and Cheney; committed Republican stalwarts Rick Wilson and Anthony Scaramucci; and dedicated Republican officeholders like Myles Taylor, lends insight into both what drives moral courage and the double-edged sword aspect of moral courage in politics, in which every act of moral courage is also a complex act of betrayal. *Therefore I Have Hope* Cameron Cole, 2018-07-20 Throughout the journey of my worst nightmare, my descent into a dark, sad valley, the Holy Spirit would remind me of truths that comforted my soul and sustained my life. After the sudden death of their three-year-old son, Cameron Cole and his wife found themselves clinging to Christ through twelve key theological truths, truths that became their lifeline in the midst of unthinkable grief. Weaving together their own story of tragic loss and abiding faith, Cole explores these twelve life-giving truths to offer hope and comfort to those in the midst of tragedy. *Critically Loved* TyiaLynn
