forces frantically try to stop the enemy's push from coast to coast. Yet in this battle to stave off world domination unless the once great military powers take the risk of annihilating the human race they'll risk losing the war. The fatal final deadline arrives in Harry Turtledove's grand smashing finale to the Worldwar series as uneasy allies desperately seek a way out of a no-win, no-survival situation: a way to live free in a world that may soon be bombed into atomic oblivion.
