Sergeant York David D. Lee, 2014-04-23 A stirring account of the heroic World War I exploits and life of Tennessean

Alvin C York Reads like a good novel Southern Living In a brief encounter on October 8 1918 during the Argonne offensive Alvin C York killed 25 German soldiers and almost singlehandedly effected the capture of 132 others Returning to the United States the following spring he received a tumultuous public welcome and a flood of offers from businessmen eager to capitalize on his acclaimed feat But York true to his character went quietly back to his home in the Tennessee mountains where he spent the remainder of his life working to bring schools and other services to those remote valleys where his neighbors lived In this definitive biography David D Lee goes beyond that single wartime episode however to consider its consequences on York s later life his efforts not always successful to better his mountain community his involvement in making a motion picture of his life his difficulties with money and taxes But Sergeant York is better known as a symbol than as an individual and in this study Lee connects the man and his life to an American heroic ideal With his rural background his refusal to take commercial advantage of his fame and his simple piety Alvin York exemplified the traditional values of an agrarian America that was in his own day already receding into the past He claimed a special place in the hearts of his countrymen Lee concludes because his life seemed to show that the virtues of the common man continued to be a vital part of American society

The Sports Hall of Fame Encyclopedia David Blevins,2012 Provides a comprehensive listing including biographical information and statistics of each athlete inducted into one of the major sports halls of fame

Great Left Wingers Chris Robinson,2006 Recounts the stories of the best left wingers of the golden age some known for their speed some for their accuracy others for their sneaky dekes but all were admired for the power behind the plays that took their team to the top
