Stockdale, 2013-04-01 An unusual memoir contrasting the lives of Royals with an ordinary working class Sheffield family An aristocratic lady and a girl from Sheffield are born into large families at the height of the British Empire where grand houses had elephant foot stools cutlery with ivory handles tiger skin rugs and Imperial Leather soap In the north horse and carts with rag and bone men shout Any old irons The northern girl wears hand me down clothes and lives in a two up two down

back to back house The lady wears fine clothes and lives in grand homes Both women experience turmoil and sadness in the First World War and they both marry in 1923 This book is about the parallel life stories of an extraordinary Royal lady and an ordinary woman as they go through life changing upheavals and the fear of a second World War They both have daughters in the same year one was destined to be Queen and the other was to become the author s mother Jean A Stockdale began by writing poetry before moving onto write the stories that lay behind each poem My Spring is her look at the past through the unusual lens of her own northern family background and contrasting it with the Royal Family Kiko Hidden Power Electric Moves: A Revolutionary Discovery about Traditional Martial Arts for the Fight & Beyond Hayashi Tomio, 2024-07-17 Title This work is the result of thirty years of observations about the function and behavior of Ki vital energy in traditional martial arts Master teacher Hayashi Tomio author and Buddhist monk with over a half century of teaching experience leads readers into the extraordinary realm of internal martial practice with a revolutionary perspective that the effortless power derived from proper Ki technique may be the result of human s ability to control their bioelectric field as a signaling mechanism to charge their musculature for impressive gains Hayashi lays out the amazing Ki principles and techniques embedded in most traditional forms Electrifying your practice takes on literal meaning Through the Kiko lens Hayashi answers many longstanding questions about the traditional martial arts such as the hidden reason why martial artists are told to keep their knees precisely bent to crescent their step to bend their wrist during certain parries to make certain tonal sounds to breathe deep into the belly to stomp their foot lift their heel or turn the feet inward or outward in various postures or to pause at certain points in a kata Learn about the startling distinctions between open and closed hand moves why katas should start in a specific cardinal direction why the arms should or should not cross with certain limb configurations why turns in a kata are often 45 or 90 degree angles why duration the amount of time expended during strength moves exerts an unusual influence on body generated power why certain tonal kiai s are made in kata why moves done in sets of two or three should not be identical Learn how to increase both your speed and punching power Learn about the hidden effects of using certain weapons For instance a long or short bo staff has a Yin and Yang end A steel blade can cut meridians without contact Sai act like lightning rods drawing Ki into a user s body how simple visualizations can double your strength or make a lock placed upon you difficult to achieve how redirecting your Ki can seal against pressure point strikes how everyone possess a unique energy signature and more **Beckoning Stars** Vasanthi Rajkumar, 2022-11-19 Romance meets History Channel A unique 3 part genre blurring novel draws the reader into the fascinating journey taken by three women in their quest to reunite with their soulmates This fast paced romantic saga moves from the present to ancient times across oceans conjuring the magic and mystery of a fascinating lost world Lemuria The diverse cast spans across the Native American Hopi tribe in USA Gobekli Tepe in Turkey Pre Maori tribes of New Zealand and the Deekshdars of India Arya a recent divorcee falls deeply in love in Adrian a Native American tormented by his ancient past Arundhati mourning the death of her mother tags along with her

archaeologist father to Gobekli Tepe in Turkey where she meets the dashing Hasan But Hasan bears an ancient deadly secret Susan in search of her biological father stumbles upon the Pre Maori tribes of New Zealand and unearths a link to her past Is the persistent Dr Siva her true love Will these souls finally fulfil their destiny and find peace This well researched historical novel offers a refreshing perspective of a shared ancestry and ensures a good read **Boot and Shoe Recorder** ,1907

The Walking Solution Lee Scott,Michele Stanten,2020 The Walking Solution offers techniques and coaching cues to turn a low impact easily accessible activity into a fun and challenging workout for clients of every age and ability **The Limits of Strategy** Ernest von Simson,2010 1992 was a killing year for the four computer companies most important to business buyers over the decade All four had been dominant suppliers of minicomputers for the past fifteen or twenty years But on July 16 the CEOs of both Digital Equipment and Hewlett Packard were pushed into retirement On August 8 Wang Laboratories declared bankruptcy In December IBM halved its dividend for the first time ever forcing the resignation of its CEO a month later How did this happen All four CEOs were clever and experienced Two were founders of their companies the other two highly successful career executives in their respective companies All four were simply overwhelmed And while there was no single explanation for what happened there were definite common themes They recur again and again in the many stories of this book Are the deadliest changes unavoidable because strategy is too easily thwarted by cluster bombs like technological velocity cultural inertia obsolete business models executive conflict and investor expectations The year 1992 is the fulcrum of this book but the underlying theme is company transitions in the face of massive changes in markets technologies or business models or in other words the limits of strategy **From Monk to Modernity, Second Edition** Dominic Kirkham,2019-01-08 After spending many years in a religious order Dominic Kirkham describes how he was driven to meet the challenge of modern thinking an exercise that has proved both freeing and frightening He says this has been something of a personal odyssey which now spans a lifetime of over six decades and is still ongoing He adds that the presumption of the book is that this is of more than personal interest because the subject matter affects everyone my personal journey will no doubt reflect that of many others In a broad sweep from Neolithic times to the twenty first century he considers our human quest for meaning and a good life and how we can engage in it today
