Star Kaat:

The Pride of Minnesota Thom Henninger,2021-05 The 1960s were a heady time to come of age The British Invasion transformed pop music and culture The fledgling space program offered a thrilling display of modern technology The civil rights movement and Vietnam War drew young people to American politics spurring them to think more critically about the state of the nation And the assassinations Martin Luther King Jr and Robert F Kennedy in 1968 shook the United States to the core During these turbulent times the Minnesota Twins were the pride of the North Star State an elite team that advanced to the World Series in 1965 and played in dramatic pennant races in the years thereafter After an uneven 1964 season the Twins set themselves up for a turnaround that would last the rest of the decade At the end of his playing career with the Twins Billy Martin was hired as third base coach in 1965 giving them a more aggressive base running style Mudcat Grant became the first African American pitcher to win at least twenty games in the American League and Tony Oliva won his second batting title to help lead the Twins to the World Series which they lost in seven games to the Dodgers In 1967 rookie Rod Carew joined the Twins as they engaged in a historic pennant race but finished second to the Red Sox during their Impossible Dream season In 1969 Martin took over as manager and both Carew and Harmon Killebrew led the Twins to the American League Championship Series only to lose to the Orioles after which Martin was fired in part for a now legendary bar fight Bill Rigney took the helm in 1970 and steered the Twins to a second straight division title and ALCS loss to the Orioles In *The Pride of Minnesota* Thom Henninger details these pennant races from the key moments and games to the personalities of the players involved in the context of state and world events Although the Twins won only one AL pennant in this stretch and failed to win the World Series these memorable seasons played in remarkable and compelling times made for an important first decade in the team's early history *Nature & Science on the Pacific Coast* ,1915 **The Good, the Bad, & the Ugly: Minnesota Twins** Steve Aschburner,2008-05-01 Genuine fans take the best team moments with the less than great and know that the games that are best forgotten make the good moments truly shine This monumental book of the Minnesota Twins documents all the best moments and personalities in the history of the team but also unmask the regrettably awful and the unflinchingly ugly In entertaining and unsparing fashion this book sparkles with Twins highlights and lowlights from wonderful and wacky memories to the famous and infamous Such moments include the World Championships of 1987 and 1991 and the miraculous years when Bud Selig almost contracted the franchise as well as the outrageous number of losses by Terry Felton and when manager Billy Martin punched out his starting pitcher in 1969 Whether providing fond memories goose bumps or laughs this portrait of the team is sure to appeal to the fan who has been through it all *Year of the Pitcher* Sridhar Pappu,2017-10-03 The story of the remarkable 1968 baseball season Seldom does an era and do sports personalities come alive so vividly and so unforgettably The Boston Globe In 1968 two remarkable pitchers would dominate the game as well as the broadsheets One was black the other white Bob Gibson together with the St

Louis Cardinals embodied an entire generation's hope for integration at a heated moment in American history. Denny McLain, his adversary, was a crass self-promoter who eschewed the team charter and his Detroit Tigers teammates to zip cross-country in his own plane. For one season, the nation watched as these two men and their teams swept their respective league championships to meet at the World Series. Gibson set a major league record that year with a 1.12 ERA. McLain won more than 30 games in 1968, a feat not achieved since 1934 and untouched since. Together, the two have come to stand as iconic symbols giving the fans 'The Year of the Pitcher' and changing the game. Evoking a nostalgic season and its incredible characters, this is the story of one of the great rivalries in sports and an indelible portrait of the national pastime during a turbulent year and the two men who electrified fans from all walks of life. Explores so much more than the battle between two pitchers and their teams. A fine history of a vital period in the history of not only baseball but America. Kirkus Reviews: A compelling tale of all that America was in the turbulent year of 1968, told through a mostly baseball prism. New York Post

Cool of the Evening Jim Thielman, 2005 In 1965 the Minnesota Twins were an endless surprise. Baseball was the nation's sport and it gave people a little break from the world. The Minnesota Twins' powerful lineup drew huge crowds in cities such as New York, Boston, and Los Angeles. But in an upper Midwest storm-filled year, the Minnesota Twins were the perfect storm. When the World Series between the Twins and the Dodgers arrived, Minneapolis was vibrant with red, white, and blue bunting. The Twins scored six times in the third inning of the first World Series game ever played in Minnesota. Decades after the 1965 World Series, fans lined up for autographs of their heroes. This is the story of the team, the players, the games of the 1965 Minnesota Twins. **West Michigan Almanac** Edward Hoogterp, 2006 The most up-to-date and complete reference source on the western side of Michigan.

Idols of the Spring Dan Zachofsky, 2010-06-28 Baseball players and fans alike feel that spring is a magical time of year. For the players, spring training is a rebirth with high expectations for the upcoming season. For fans, it is a chance to see their favorite players return to the diamond as well as to hear about the up-and-coming players. This work is a compilation of interviews with 23 players, an umpire, and a trainer: Chipper Jones, Walt Weiss, Glenn Hubbard, J.D. Drew, Jim Kaat, Craig Counsell, Ryan Dempster, Harold Baines, Andre Dawson, Mike Hargrove, Will Clark, Gary Sheffield, Davey Johnson, Shawn Green, Mike Bordick, Tim Lincecum, trainer Al Clark, umpire Brady Anderson, Dave Cash, Al Jackson, Robin Ventura, Rondell White, Monte Irvin, Rick Ankiel, and Red Schoendienst. Each interviewee shares his own personal spring training experiences and thoughts on why spring training is such a special time of year for the players and fans. [The 1967 American League Pennant Race](#) Cameron Bright, 2018-05-12 In 1967, in the midst of a nail-biting six-week pennant race, the Red Sox, Tigers, Twins, and White Sox stood deadlocked atop the American League. Never before or since have four teams tied for the lead in baseball's final month. The stakes were high; there were no playoffs; the pennant winner went directly to the World Series. Here, for the first time, all four teams are treated as equals. The author describes their contrasting skill sets, leadership, and temperament. The stress of such stiff and sustained competition was constant, and there were overt

psychological and physical intimidations playing a major role throughout the season The standings were volatile and so were emotions The players and managers varied some wilted or broke others responded heroically *Paths to Glory* Mark L. Armour, Daniel R. Levitt, 2004 An essential experience of being a baseball fan is the hopeful anticipation of seeing the hometown nine make a run at winning the World Series In *Paths to Glory* Mark L Armour and Daniel R Levitt review how teams build themselves up into winners What makes a winning team like the 1900 Brooklyn Superbas or the 1917 White Sox or the 1997 Florida Marlins And how are these teams different What makes each championship team a unique product of its time Armour and Levitt provide the historical context to show how the sport s business side has changed dramatically but its competitive environment remains the same Utilizing new statistics to evaluate a player s value and career patterns Armour and Levitt explore the teams that took risks created their own opportunities and changed the game How did the Washington Senators achieve the unthinkable and blow past Babe Ruth s Yankees in 1924 and 1925 How did the 1965 Minnesota Twins quickly rise to the top and why did they just as suddenly fall Did Charlie Finley assemble the last old fashioned championship team before free agency or was the Moustache Gang another example of winning by building from within Why did the star laden Red Sox of the 1930s keep falling short In exploring these teams and more Armour and Levitt analyze the players the managers and the executives who built teams to win and then lived with the consequences *Star Trek: Mere Anarchy* Margaret Wander Bonanno, Christopher L.
