Star Trek The Greatest Battles:

America the Great Edward Hawkins Sisson,2014-06-22 America the Great is the result of five years research and writing that began in late 2009 in response to the contemporary American tea party movement and criticisms that the movement s participants did not know the history and theory of the original 1773 Boston Tea Party from which the modern movement takes its name The extensive library of original books newspapers magazines etc now available primarily via google books to anyone over the Internet means that researchers have available to them the university libraries of the world The availability of accurate original documents made it possible to expand the original scope of research into other historical events and into other countries primarily Great Britain and enabled the work to develop into a more general examination of theories of human dignity and of the differing conception of government that arises depending on the conception of human dignity that is characteristic of the people that is creating that government *Computers Of Star Trek* Lois H. Gresh,Robert A Weinberg,2008-01-04 The depiction of computers on the various Star Trek series has ranged from lame to breathtakingly imaginative This book covers the gamut and makes lucid and entertaining comparison of these fictional computers with those that now exist or are likely to inhabit our future Throughout its history Star Trek has been an accurate reflection of contemporary ideas about computers and their role in our lives Affectionately but without illusions The Computers of Star Trek shows how those ideas compare with what we now know we can and will do with computers **The World of Star Trek** David Gerrold,2014-01-28 In The World of Star Trek David Gerrold opens up dialogue on the people places and events that made Star Trek one of the most popular series ever Gerrold discusses what was successful and what wasn t offering personal interviews with the series legendary stars and dissecting the trends that developed throughout the seasons The complete inside story of what happened behind the scenes of the Star Trek universe from scriptwriters memos to special effects and more The World of Star Trek is the companion all Trekkies need for the most all encompassing breakdown and analysis of Star Trek **The Re-Enchantment of the West, Vol 2** Christopher Partridge,2006-06-20 Challenging some assessments of religion in the West this study argues that although much organized religion particularly Christianity is in numerical decline in actual fact we are witnessing an alternative spiritual re enchantment of society and culture **The Literary Galaxy of Star Trek** James F. Broderick,2006-04-18 How is the android Data like Shakespeare s character Hamlet Is the vengeful Khan original series episode Space Seed and the film Star Trek II The Wrath of Khan an echo of Captain Ahab in Moby Dick The links between Star Trek and literature are vast themes and characters that reflect those in classic literature characters that quote literature in their dialog and an enormous body of nonfiction books novels articles that have grown from the saga Finally like literature Star Trek seeks to help in the human endeavor of understanding the world and its place in the universe This book explores all of those connections The Next Generation s Captain Picard frequently quotes Shakespeare Captain Janeway from Voyager reenacts literature in holodeck novels Jake Sisko son of Deep Space Nine s

Commander Benjamin Sisko becomes an award winning writer Beginning with Captain James T Kirk s first appearance in the original series then continuing through four subsequent series and ten movies this book draws parallels between Star Trek stories and literary classics such as Hamlet Paradise Lost Ulysses Dracula and the New Testament and works by the likes of Booker T Washington Edgar Allan Poe and William Shakespeare Appendices list the literary works discussed and the episodes and movies mentioned each giving the chapters where references can be found [Star Trek: Voyager: Farther Shore](#) Christie Golden,2010-04-01 When an unstoppable Borg plague breaks out upon Earth blame quickly falls on the newly returned crew of the Starship Voyage Did Kathryn Janeway and the others unknowingly carry this insidious infection back with them Many in Starfleet think so and Seven of Nine in particular falls under a cloud of suspicion Now with a little help from the Starship Enterprise Admiral Janeway must reunite her crew in a desperate last ditch attempt to discover the true source of the contagion and save Earth itself from total assimilation into a voracious new Borg Collective But time is running out Has Voyager come home only to witness humanity s end **The Anime Encyclopedia, 3rd Revised Edition** Jonathan Clements,Helen McCarthy,2015-02-09 Impressive exhaustive labyrinthine and obsessive The Anime Encyclopedia is an astonishing piece of work Neil Gaiman Over one thousand new entries over four thousand updates over one million words This third edition of the landmark reference work has six additional years of information on Japanese animation its practitioners and products plus incisive thematic entries on anime history and culture With credits links cross references and content advisories for parents and libraries Jonathan Clements has been an editor of Manga Max and a contributing editor of Newtype USA Helen McCarthy was founding editor of Anime UK and editor of Manga Mania [The Biggest Civil War Battles of 1863](#) Charles River Editors,2025-05-02 Americans have long been fascinated by the Civil War and its biggest battles particularly Gettysburg Antietam and Shiloh all of which involved Robert E Lee or Ulysses S Grant But one of the 6 biggest battles of the war and the one that took the heaviest toll by % on both armies was fought at the end of 1862 in Tennessee and it involved neither of those generals In late December 1862 William Rosecrans s Union Army of the Cumberland was contesting Middle Tennessee against Braxton Bragg s Army of Tennessee and for three days the two armies savaged each other as Bragg threw his army at Rosecrans in a series of desperate assaults Bragg s army was unable to dislodge the Union army and he eventually withdrew his army after learning that Rosecrans was on the verge of receiving reinforcements Though the battle was stalemated the fact that the Union army was left in possession of the field allowed Rosecrans to declare victory and embarrassed Bragg Though Stones River is mostly overlooked as a Civil War battle today it had a decisive impact on the war The two armies had both suffered nearly 33% casualties an astounding number in 1862 that also ensured Rosecrans would not start another offensive campaign in Tennessee until the following June Lee s heavily outnumbered army won the most stunning victory of the war at Chancellorsville but it cost them Stonewall Jackson Moreover the reorganization of the armies and the battle itself played an influential role in the way the Pennsylvania Campaign and the

Battle of Gettysburg unfolded later that summer After the South had lost the war the importance of Gettysburg as one of the high tide marks of the Confederacy became apparent to everyone making the battle all the more important in the years after it had been fought While former Confederate generals cast about for scapegoats with various officers pointing fingers at Robert E Lee James Longstreet and James Stuart historians and avid Civil War fans became obsessed with studying and analyzing all the command decisions and army movements during the entire campaign Despite the saturation of coverage Americans refuse to grow tired of visiting the battlefield and reliving the biggest battle fought in North America At the start of 1863 Robert E Lee s Army of Northern Virginia had been frustrating the Union in the Eastern theater for several months but the situation in the West was completely different The Confederates had lost control of several important states throughout 1862 and after New Orleans was taken by the Union the North controlled almost all of the Mississippi River which Confederate general James Longstreet called the lungs of the Confederacy By taking control of that vital river the North would virtually cut the Confederacy in two putting the South in a dire situation The only domino left to fall was the stronghold of Vicksburg and both sides knew it The Union Army of the Tennessee led by Ulysses S Grant would spend months trying to encircle the army and eventually force John Pemberton s Confederate army to surrender Grant eventually succeeded on July 4 1863 but since it came a day after the climactic finish of the Battle of Gettysburg Vicksburg was and still is frequently overlooked as one of the turning points of the Civil War In fact had the Confederate s military leadership listened to Longstreet who advocated detaching soldiers from Lee s army to head west and help the Confederates deal with Grant or Rosecrans in that theater the Battle of Gettysburg might never have happened

Understanding the Dark Side Christopher Partridge, 2006-12-01 This lecture discusses personifications of evil in the Hebrew Bible and in early Christian belief showing how Jewish apocalyptic demonology shaped Western thought in this area It then considers the depiction of the malevolent alien in both popular culture and in UFO religions showing how both owe much to the history of Christian demonology despite the origins of much of the latter in theosophical thought and concludes
